SPANISH MINISTER FINDS HIM-SELF PERSONA NON GRATA.

He Offered Insult to the President of the United States - His Resignation Bas Been Telegraphed to the Spanish Government-Big Money Offered to Secure the Letter's Return.

NEW YORK, Feb. 10.-The Press says t representatives of the Cuban junta yesterday gave out copies of a letter sign. ed "Enrique Dupuy De Lome," minister COMMITTEE ROOM-Princess St., of Spain in Washington, and addressed to Jose Canalejas, who went to Cuba last September as premier Sagasta's personal representative. In this letter the Spanish minister refers to president McKinley as "weak and catering to the rabble," and as "a low politician who desires to stand well with the jingoes of his party."

The Washington correspondent of the Press says that when a copy of this letter was shown to minister De Lome he prompt. ly pronounced it a forgery. He also says that an official of the state department fegarding the matter said : "De Lome did not write the letter. The Cuban junta has been imposed upon by somebody." On the other hand, Horatio L. Rubens,

counsel for the Cuban junta, says: "We know absolutely that this letter is genuine. A man risked his life to obtain We do not hesitate to acknowledge that it was stolen from Canalejas. It is written on the paper of the legation. The handwriting is De Lome's and the signa. ture is his. He may deny it until he black in the face, but it is genuine and everybody who has seen it knows that it is. The man who stole it abstracted it from the envelope and left the latter. If he had attempted to steal the envelope or had stolen the envelope he would have got away with the letter." Mr. Rubens was asked about the trans-

lations and if there was not some danger that it might be wrong. He replied : "No; the translation was made in the office by men who thoroughly understand both languages and it is as near correct as

a translation can be." NEW YORK, Feb. 10.-Following are the excerpts exciting most comment from the subjects. Everybody orders. Marvellous illus- alleged letter of Spanish minister D trations. Prospectus \$1. BRADLEY-GAR- Lome to Don Jose Canalejas: Speaking the president's massage, the letter

"Besides the natural and inevitable coarseness with which he repeats all that the press and public opinion of Spain has Possession May 1st. Apply to Horace A. Mc- said of Weyler, it shows once more that McKinley is weak and catering to the rab. ble, and besides a low politician, who desires to leave adoor open to meand to stand well with the jingoes of his party." The letter is further quoted, in relation

> to the pending treaty, as follows: "It would be most important that you should agitate the question of commercial relations, even though it would be only for

As soon as the letter appeared in the press the state department officials began an effort to settle its authenticity and when it had learned all that could be developed minister himself refused to deny writing it, the coneideration of the next step began. Assistant secretary Day was in consultation with the president on the subject during the official day and then spent much time in framing his message to United States minister Woodford at Madrid. The official statement of the sending of this message was accompanied by a declination communicate. CHARLES HUGHES, 63 Wall to indicate its contents at this time, the department merely giving to the press the

following statement: "Minister de Lome does not deny writing the letter. This department has communicated with Gen. Woodford on the sub ject. Until that communication reaches the Spanish government it would be improper to in any manner state the contents of the message to Gen. Woodford."

Jubliant Over Its Capture. NEW YORK, Feb. 11.-The Tribune "The members of the Cuban junta were jubilant yesterday over the capture the letter of the Spanish minister, Depuy De Lome. All sorts of rumors were afloat around the Cuban head. quarters last night. One of them was to the effect that a number of efforts had been made to get the letter out of the po-

After studying law two years at Hagerstown, Md., he was admitted to the bar there. He was always an active, zealous Republican and in 1876 had become so well recognized as a leader of his party that he was nominated for congress. His district had been safely Democratic from 1867 to 1872, but the Republicans had succeeded in making it debatable ground, the energy, sagacity and effective speaking of Mr. McComas having contributed much to that result. But 1876 was the year of the Tilden Democratic tidal wave, and Mr. McComas was defeated. The majority against him, however, was only 14. He ran 700 votes ahead of his party's presiden tial ticket. He was elected to the Fortyeighth, Forty-ninth, Fiftieth and Fiftyfirst congresses, but was then defeated by

William M. McKaig, Democrat. Meantime he had taken a very high position at the bar and was generally recognized as one of the leading advocates of his state. He was appointed judge of the by President Harrison in 1892, a few months before Cleveland's inauguration.
