JUDGMENT IN AN APPEAL. The First Decision of Its Eind Given in

the Province. The judgment rendered Brice in the Jackson appeal case, argued before him on Thursday, is No Longer Individuals talled Together By very important, being the first on record in Ontario on the point brought Revivat Of Methodism Came Enthusi- up. The particulars of the case are: astic Fervor-Noble Words Generated R. Jackson, Verona, was charged with unlawfully selling or disposing of liquor on Nov. 25th, 1897. A complaint was laid on Dec. 23rd, being within the recent evidence taken failed to support the to by charging Jackson with allowing liquor to be drunk on his premises withprohibited hours. On Jan. 13th conviction was made by justices of peace victing him for both offences, b

The case was appealed and heard be-

fore judge Price. James Haverson, solicitor for the liquor license associa tion, Toronto, appeared for appellant Istatute. The judge quashed the conviction, and in giving his judgment respondent's request, although the powers of amendment were very broad. The legislature had, no doubt, good reason for limiting the time for laying a complaint to thirty days. If the reason was sufficient why a complaint should not be laid after thirty days it must be lequally good, that it should not be sub stituded in a complaint that had failed. When the statute gives power to sub-Istitute an offence, it must mean—in his mind—an offence for which a com- nan, 75c. I plaint could be laid. It cannot be that an offence barred by statute can be revised because some other offence has Itestantism in Germany, Switzerland, been laid, but not supported by the evidence. In the absence of direct au-Thority, he held that there was no auall kinds of churches, national and in-[complaint; an offence barred by sta-
