Tracing The Sandfield Surplus. When John Sandfield Macdonald wont out of office there was a turplus of \$3 811,.

of office he had voted away a million and a and strength. "For the past four years my half for railway purposes. This was paid out of the surplus. To the dominion government there was due a debt amounting to \$691,000, which had to be paid by the liberal government that followed him. There was also due \$96,500 on Rockwood asylum account, \$10,700 collection on crown lands and several smaller debts. Lastly there was the teachers' superannuation act that he had passed, the cost of which was \$1,309,000.

If we take away these items of liabilities that Sandfield Macdonald left and that the liberal government paid out of his surplus, we shall be able to account for the Macdonald surplus. An Ex-Aiderman Speaks.
