CITIZENS IN FAVOR OF A

# Remarkable Medicine.

Heart troubles are becoming more pre valent every day owing to the fast age in

which we live. Milburn's Heart and Nerve Pills are curing sufferers from heart and nerve trou h'es in every city, town and village in

Might here in Kingston they have cured a great many prominent citizens.

Here are two cases in point. John McMaster, of No. 2 Fire Station, eave: "I used Milburn's Heart and Nerve Fills for nervoueness, headache, etc., and

they have cured me." William Sands, also in the same Fire Station, says: "Milburn's Heartand Nerve Pills cured me of extreme nervousness, headache, dizziness, etc., after all other remedies had tailed, and I heartily recommend them to all who suffer as I did:"

One Laxa Liver Pill every night for a month cures constipation.

J. H. KELLY REPLIES TO REV. DR. RYCKMAN.

culties of the Question. MONTREAL, Feb. 16 .- (To the Editor)

In your issue of Feb. 15th I rogtet to see that the White makes Dr. Ryckman in a recent cormon say that I had the eff ontery to use the name of ex-governor Boies of and a decree; for he sent letters unt is only fair to say that he is an authority people of bis state.

Mr. Boies is a temperance man, but not party on the subject of prohibition. This the palace. is not true, but it is true that he was elected governor with the assistance of republican and democratic votes. Dr. Ryckman ways disgruntled republican assistance elected him.

For the information of those who are taking an interest in the prohibition question in Canada, and who might consider the prohibition contest and the result of the test between protection and tariff reform, this majority was cut to less than half, and it was then the republican or high protectionist party thought it wise to secure the the republicans for party expediency bocame the champions of prohibition. The So the manufacture and sale of intextenting feared not, but spake and said. and did an increased perscription business. This for the time settled the liquor question in Iowa. Then arose the contest between protection and tariff reform, and on this issue Mr. Boics and thousands of the DOWER & SON, ARCHITECTS, MER- republican party "gruntled" into the democratic party. No liquer quoetion was down the walls of those at iseuo when they "disgruntled" and after the whiskey flask, and purged elected a democratic president, any more the land of those who smelled of the than there was in Canada when a number abominations of the beer barrel? Shew excellent conservative "disgruntal me this Geordie that I may me 4 him ists" some time ago had the temerity to face to face?" loave the party of that "Ananias gruntler" and "diegruntled" Sir Wilfrid Laurier into power on the same issue. Every effort was made in Iowa to en-

force prohibition. Private duellings were searched by prohibition officers. Self-constituted officers would endeavor to make purchases, and after tempting men to sell would fyle such as the state went democratic, electing as gov a second term, but it must be remembered that the anti-prohibition or democratic; party did not at any time get control of the legislative house of representatives, so | And the fight continued two days, he was therefore personally powerless to and behold it was very sore. And the affect a repeal of the prohibitory law. The champion of the water drinkers did republican party then saw that as the throw many darts and smote with his house of representatives was still with sword. But Geordie was nimble; and them, it was yet in their power to save some he turned aside with his shield, the state to their party. To do this, the and some, when they fell behold, prohibition law was repealed, a new mea. was not there. And his enemy was sure was introduced, and now liquors are greatly enraged thereat, and smoto at eld anywhere in Iowa where the law is

camplied with. I may state that the liquor status of lown was raised owing to an assertion by Dr. Lucas in debate with principal Grant not skilled in the use of arms. So Geor which misled his hearers and the presseso die smote him that he fell. Then much that a religious Montreal daily paper Geordie ran and took hold of him and reporting a synopsis of the debate used did wipe the earth with him, even the inch type for itsheadline worded, Iowa Free unter that was on the earth did he From The Blighting Curse. It is a paper wipe up with him. So Geordie prevai which dislikes to be sensational and od against him. will not intentionally mislead its readers.

The fault was not that of the paper in question, but the actual facts are that if the state is free it is not owing to prohibi tion. The whole lows question in a putshell is as follows: The prohibition law was framed to the eatiefaction of prolubition leaders. It was adopted by the pec- whiskey flask, and they who traffick ple by a large majority. After years of in strong drink, did greatly rejoice trial it was found to be not workable. | thereat, and cried saying. "tireat party in power when the law was passed out of the hands of the enemy, and where in power when the law was repealed, out of the hands of them that would This party nailed prohibition to their mast. head to gain more power, and took it down when the reaction came which meant political annihilation, and so lowa is now a state where liquor can be sold un- White, \$9.10 granted to Donald Y der restrictions.

tion in Canada is concerned. I view with Should James Hannah not accept of interest only the debates for and against for made to him Jan. 10th, then this such a measure. I have heard men time, council to carry said road along side and time again in their enthusiasm for pro. | line so far as practicable, the surveyor hibition and against it make use of the to at once survey said road and gret most misleading statements to carry their point of contention Prohibition orators seldom touch the root and actual difficulties of the question.
