> The men who have been thinking in the past of no interests but their own, whose record is one of self-seeking and self-glorification, from beginning to end, have a nerve to stand before the workingmen and tell them how to vote! At all the conservative ward meetings the lawyers and the doctors have done the buzzing. The workingman has not been on the platform.

> > AMAZING CONDESCENSION.

Mr. Whitney at the city hall here, and at his other meetings throughout the province, with characteristic pomposity, studiously warned Ontario officials not to take part in the pending elections in behalf of the reform candidates, and threatened that if they did he would dismiss every one of them as soon as he came into power, which, he assured his hearers he would on lat March next; but promised to retain those who abstained from those practices. This is a refreshingly cool and farcical piece Robinson Bros. of bluff, intended not so much scare officials as to create impression in the public mind that people, Mr. Whitney said : he expects to "get there," and to influence waverers to his side, when he knows perthat his party is no nearer the goal now than it has been for the past twenty-two called for, as those officials, unlike their refuse that remained." conservative brothers in the dominion serand Toronto, were, contrary to their past | ceeding to refer to it as he talked. proper and well observed custom, to ignore truthfully asserts the Ontario officials to and miners. be, there are ten to one of dominion men

LOCAL GOVERNMENT BILL. What Was Said at Its Presentation in Par.

LONDON, Feb. 22 - The house of commons was crowded yesterday when the chief secretary for Ireland, Gerald Balfour, introduced the Irish local government bill. In so doing he said he thought it possible to be a failure, but he believed it would work through failure to the success which would be the beginning of better and brighter days for Ireland.

oh's) The elections for county and district councils would be triennial and all county councils. The county would be responsible for half the extra expenditure. Mr. Balfour also pointed out that the bill both the county cess and poor rate whether in a town or rural district, which would involve a re-adjustment of rents, an equal eum to be granted for the imperial exchequer as an agricultural grant.

Mr. Balfour said he thought the bill was based upon broad, democratic lines, adding

measure was an immense advance over the the government, but he claimed it was not was not given to the councils. Nevertheless, he added, the bill will do much good new goods come to hand. and his party would endeavor to execute it in good faith.

argument in favor of home rule.

Col. Edward J. Sanderson, conservative member for North Armagh, said a majority for all classes of Irishmen to unite for

Timothy M. Healey, Irish nationalist member for North Louth, prized the bill and Michael Davitt, Irish nationalist, threatened opposition to the part of the bill promising relief to the landlords in the shape of an agricultural grant. The Irish local government bill event
