The

tension is getting tighter every minute. to maintain her independence. GRAND COPERAY HOUSE. | tension is getting tighter every minute. The steamer Olivette got in from Havana last night and brought news of the arrival of the Spanish first-class cruiser, Almirant Oquendo. It is also reported in Havana Commencing Monday, March 7th. that the officers of the court of enquiry, DANIEL R RYAN STOCK COMPANY, Cuban capital, will be ready to report by to-morrow or Wednesday of next week. The court will not return here, but will proceed at once to Washington.

> ford that the Spanish government desired the recall from Havana of consul-general Lee and that the American warships, which have been designated to convey sup plies to Cuba for the relief sufferers there, should be replaced merchant vessels in order to deprive the assistance sent the reconcentrades of an neers. official character. Minister Woodford cabled the request to the Washington government, which replied, refusing to recall Gen. Lee in the present circumstances or to countermand the orders for the despatch of the war vessels, making the representation that the relief versels are not fighting ships. The ships referred to are the Montgomery and the Nashville. and it was stated positively at the state department that there has been no change in the plane for the sending of the Montgomery and the Nashville to eastern Cuban ports with relief supplies for the reconcentrados.

World has the following from Key West: think she will stay there. Karl Decker, a New York newspaper man, was thrashed by officers of the Maine last night in the hotel at Key West. Decker called an officer a cur and struck Lieut. Blandin. Another officer floored Decker with a chair. Assistance from outside alone saved Decker from being severoly hurt.
