Appropriation Bill.

THE TWO NAVIES.

propriation Bill Was Hissed-Maine Dis- | centions advanced by his opponents. aster Said to Have Nothing to Do with the Vote.

WASHINGTON, March 9 -The appropriation committee of the house at the meeting yesterday unanimously agreed to report favorably the bill to appropriate \$50,-

000,000 for the national defence. As soon as the journal had been read the speaker rapped for order, and, amid a deep sition not to allow silence, chairman Cannon arose and presented the measure appropriating \$50,000. several other items, among which was \$100,000 for coal for naval vessels.

When the reading of the bill was concluded, with the item of \$50,000,000 for the national defence, a spontaneous burst of applause went up from the members and the galleries.

Mr. Barrett (republican, Massachuesetts) asked if opportunity would be allowed for amendment, and when Mr. Cannon answered that he did not know, he objected. His objection was greeted with hisses and loud cries of "vote." "vote."

appealed to his colleague to withdraw his objection. After the confusion had sub. the debate on the bill. Coming to the all. in question. absorbing item be said that in the present and Work of Miss Willard," the most won- critical condition of affairs the committee derful woman of the century.
