EVERY EUROPEAN CAPITAL. A Probability of the Sagasta Micistry Helug Defeated-France Does Not Wish to See Spain Lose Cuba, as it Would be Detrimental to Her Vinancial Interests - Lommander Brownson Going to Eng-

land to Purchase Vessels, NEW YORK, March 0 -Adespatch to the World fron London says: Your correspondent saw in the house of commons lobby the head of one of the largest and best known ship building firms on the Clyde, who said: "I know positively that Spain is hunting not only for cruisers but for eight fast steamships which are to be converted into unarmored cruisers and fitted with quick firing guns. She has been on the lookout for some weeks but the difficulty was, of course, the money. No British ship builder would permit her to re-

have been hanging fire for financial reaments for a loan through Fould's Bank of where Spain stands the slightest chance of obtaining financial help. French investors hold about \$300,000.000 of Spanish bonds, mained loyal to the British flag. Ho also] largely secured by Cuban taxes. If Spain cause to Upper Canada, where some of hie loses Cuba the French speculators will lose relatives and friends had preceded him the security for their bonds. This is why there He afterwards lived and died in this prois great and powerful interest in France vince. which is trying to avert war or save Spain. Another report current in the lobby was who brought slaves with them, which the that the United States government has offered £90,000 for Capt. McCallmont's family were connected by inter-marriage famous steam yacht Ciralda. The Giralda with a number of the then well known the offer of the United States government including the Fairfields, Finkles, Churches, is conditional on her being handed over at Gibraltar within five days. She is obviourly wanted as a despatch boat, if at all HAVANA, March 9. - The United States

cruiser Montgomery, which left Key Wese yesterday evening, was in sight of Moro castle this morning and later was saluted as she anchored in Havana harbor. NEW YORK, March 9 -A special to the World from Washington says: A cableprosecution of war without success. All quite feeble, being seventy six years of Wall and the financial centres of Europe have re jected her overtures. General Woodford pronounces an utter impossibility for Spain to secure funds with which to engage in hostilities against the United States. In referring to the political conditions which impelled the ministry to auggest the recall of general Lee, minister Woodford said that Sagasta was friend! to the United States and would make every possible concession to preserve peace.

The future danger," said general Woodford, "lies with the people. With hostile majority now in cortes and the probability that it will be continued at by a small majority over David W. Allithe forthcoming election, the overthrow the Sagasta ministry is not unlikely. The succeeding ministry would be pladged to war in order to avoid revolution. the Sagasta ministry retains power Spain would endure humiliation rather than

declare war against the United States." MADRID, March 9 .-- It became known to-day that the Spanish transport steamer, feated by a narrow majority of eight by Alfonso XIII, sailed for Cuba from Barc lona on Saturday last having on board four officers, 900 soldiers and 4,000,000 Manser cartridges.

NEW YORK, March 9.—Commander W H. Brownson sailed for Southampton on the American liner St. Paul to-day. He said to a reporter: "I am going to Eng. land under orders direct from the navi department, not from the president. M mission is to prepare for the exigencies the situation and to see what can be had and done in case of war. I shall report by The county never before or since witnessed

JONDON, March 10. - The indications are hat the United States government will ot wait for the arrival of commander William H. Brownson in order to purchase warships. NEW YORK, March 10 --- A special to the Herald from Washington says: It is man of intelligence and good business known that the authorities expect to ex- habits. T.W.C. pend \$15,000,000 or \$20,000,000 in purchasing ships, if such sum can be spent judiciously and to the advantage of this

government. He said to a reporter: "I am going to poles, towels, table linens, England under orders direct from the navy the situation and to see what can be had | Kingston carpet warehouse.

and done in case of war. I shall report by cablegram ' LONDON, March 10. - The indications are that the United States government will not wait for the arrival here of commander William H. Brownson in order to purchase warships: definite offers have already been made for ships building here with the view of forestalling Spain, which is said to be bargaining for the same vessels.

NEW YORK, March 10. -- A special to the World from Washington says: cablegram received from minister Wood ford was laid before the cabinet by the president. It declared that Spain had exhausted every means of raising money for the prosecution of a war without success. All the financial centres of Europe have rejected her overtures. General Wood. ford pronounces it an utter impossibility for Spain to secure funds with which to engage in hostilities against the United States. According to a copyrighted cable despatch from James Creelman, published by the Journal and Advertiser yesterday, under London date, "the bone of a great speculative ring are actually sticking through the reports of a successful Spanish loan and the purchase of warships in Eng-

land and France by Spain " PARIS, March 10. - The Temps yesterday afternoon says : "The war into which the United States throws itself headlong will be disastrous to civilization." Continuing. the Temps says it hopes "the good sense and good faith of the Spaniards and Americans will prevent war.

HAVANA, March 10. - The arrival here of the United States steamehip Montgomery was very quiet, it being generally understood that she comes to replace the coast survey steamer Fern as quarters for captain Sigsbee and others. Commander Converse, of the Montgomery, is a high authority on explosives and his advice will be useful to the court of enquiry. After the usual salutes the Montgomery was moored in the principal harbor near the wreck of the Maine and in the centre of a

circle of Spanish ships. The Bay of Quinte Ry. new short line for Tweed, Napanee, Deseronto and all local points. Train leaves City Hall depot at 4:00 p.m. R. J. Wilson, C.P.R. telegraph office, Clerence etrees.

THE LATE M. W. PRUYN.

He Died On Thursday Morning-Sketch of His Career. NAPANEE, March 10 .- M. W. Pruyn atbacked by paralysis on Sunday died this

W. Penyn was a native of South Fredericksburg, Lennox county. He was boin there on the 22nd of October, 1819 His father, William Pruyn, was among the early U.E.L. settlers on the shores of Bay of Quinte two or three miles weet of the village of Bath. According to the records in the old Upper Canada crown lands department he does not appear to have come to this province until about 808 settlers. He was a man of considerable squal in the whole realm of medical science. means and much business energy and was among the first of the extensive lumbormen on the Bay of Quinte. He is said to have built the first saw mill on the Salmon river, near where the village of Shannon. ville now stands. That for years, became an active business locality both for move any craft without prepayment in saw and grist mills. The Pruyns well - to - do family Spain's contemplated purchases, which siding at Kinderbrook, on the Hudson river, province of New York, years before sons, are about being completed, as the the American revolution. Harmen, grand-Spanish government has made arrange! father of the late M. W., appears to have been a wealthy resident in that locality as Paris with a French syndicate. Sentiment | early as 1750. During the revolution he as well as solf-interest prompts France to took sides with the British, and he was assist Spain against the United States. afterwards reported "banished" from his France is the only European country native land and considerable of his property was confiscated for that offence - as were a great many others in those days who re

> The Pruyns were among the families retained for many years. The l'ruyn pioneer families about the Bay of Quinte, Dorlands and others.

When the subject of this sketch was a young man he went west and entered the morcantile business, which be followed all his remaining days. He was tiret at Woodstock, then a small village, then ! located at Brantford, then but a thriving town. There he remuned for years and was at one time the mayor of Brantford and one of the leading business men. gram received from minister Woodford there married Miss Mary M. Kerby, was laid before the cabinet by the presi- daughter of the late William Kerby, one ! dent. It declared that Spain has exhaust. of the founders of what is now the city of prosecution of war without success. All quite feeble, being seventy six years of Chicago, and William Kerby, of Napance, are also living.

> When Lennox and Addington was separated from Frontenac as a separate county, in 1834, the late Oliver Hatford Payn was appointed sheriff, and on his invitation his brother. Matthew William, mov. vitation his brother, Matthow William, mov. I VV cd to Napanee and became deputy sheriff, a j position which he held for seven or eight! years. In the general dominion election of 1882 Sir John Macdonald left Kingston and became the Conservative candidate for Lennox, where he was declared elected son, Adolphustown, the liberal nominee. The late Mr. Pruyn was an ardent supporter and personal friend of Sir John. The election was protested and Sir John | color and design. was unseated, after he had represented the county for one ression. At the bye-elec. bion that ensued Mr. Pruyn was the nominee of the conservative party and was do-Mr. Allison, who represented the county at the next session. His election was i turn protested and voided, and at the ensuring election Mr. l'ruyn was declared returned by a majority of eighty-five, and he represented the county during the next two sessions. Thus during our fifth dominion parliament Lennox had three elections, two protests and was represented by three men. During the same time there were two elections and two protests in conrection with the provincial legislature. so much political excitement and commotion as between 1882 and 1886. At the next general election Uriah Wilson, the INDA present M.P. for the county, received the conservative nomination over Mr. Pruyn, who then retired and he has never been candidate for political honore since.

Mr. Pruyn was a staunch member of the Church of England and a regular communicant for many years. He was an enterprising citizen, a kindly neighbor and a

able Men of His Age. Kindston, March 5 - (To the Editor) When the despatch appeared stating that the bishop o' London had, in an interview, characterized his office as "stupid, useless and depressing," I at once set it down is 'another cable lie." The interview is now in my hands and I send it to you entire. It will be noticed that the only assertion for which the cable had any justification was the "emoking endless cigarettes," and I hould think it would be sufficiently obvious nat the sentence on which that is based is but an attempt at a humorousexaggera to add that it is a failure. Englishmen cannot do that sort of thing well .- ROBERT W. RAYSON.

"A Friend" contributes to "Goodwill" an interview with the bishop of Loadon, from which we take the following : We walked round the beautiful garden | "I used Laxa-Liver Pills for Headaches at Fulham, the bishop doing and saying

everything with that inexpressible gentleness and charm, which so endear him to those who know him. I said, "My lord, I want to interview

"Interview me as much as ever you "I want to take notes, though ---" His lordship felt for a pencil.

I un plored him to desist. Fancy "inter-

viewing," and taking notes on a piece of

paper, walking quickly round a garden.

"Then," said I, "I must trust to me-"And you can always romance," said he. "No, I shall never finish the 'History of paid-till results are known to and acknowledged | the l'apacy,' and I shall write no more. It is absolutely impossible to do one half the CALF. work of this stupendous diocese, leaving about all over the world, sall every man has beard out the question of writing any book There could not possibly be anything more light soles, welt sewn, perghastly from a human point of view than They quickly stop drains en the system that sap | being a bishop. You can never please any

bound to keep moving on wherever God's will leads us; we have no choice to do any "When I was offered Peterborough I went to Dr. Hart. He eaid, 'You are No C. O. D. scheme, me bogus philanthropy non deception, no exposure—a clean business propost strong and wiry, and you'll make a good tion by a company of high financial and profes | bishop, take it.' I went to a dear old bishop at Oxford. He peered up at me and said, 'You will be good at organization, and will be a good bishop, take it.' I had been given a canonry at Windsor, where I could have had intellectual work

> But I wont to Peterborough. "Yes, I was very happy there. The clergy? Oh, the dear clorgy. I think England the most extraordinary country in the world and its clergy the most extraordinary people in it.

"Of all the ----, but don't put that in.

at Oxford and practical work at the same

time, and have been quite busy enough.

The clergy averagely do an immense amount of work, but they roully are the most self centred, undisciplined, and dithicult people I eyer came across. I am very fond of them, that is one of the functions of a bishop, to love his clargy; but, with your true British spirit, each man thinks that the entire organization of the diocese is centred round his particular parish, and that the bishop exists solely for the pur-111 pose of preaching in his church. And I do have to request not to be asked to bless

thing like thie: 'My Dear Lord Bishop, -- lo has been the custom of the bishop of Stephney for the past two years to preach in my church the first Sunday in --- My people are beginning to ask, 'When is the bishop of London coming?' Could you,

"With every post comes a request some.

"You see the hopelessness of it. should be preaching morning and evening every Sunday in the year. "And it is a fearful difficulty to keep the peace, and mainly because the elergy on both sides, Protestant and Catholic, will not refrain forcing party cries down each other's throats, and party badges on to

each other's unwilling shoulders. "The other day entirely in order to save other churches and prevent further annoy. ances I probibited a certain practice in a church. What must the curate do but sit in his church and defend it might and main; totally unnecessary and only arous. ing the further anger of the society for Protestant defence

"l'rotestant defence brigade." put "PERFECT." Several samples and large "Yes, I am afraid that brigado is hope-

loss. Yet we had a nice service in chapel the other day, and were quite happy: they all look such very harmless people. "You see the English church is not more mixed than anything elso in this wonderful country. And God made this country; He made the people; He made you and me to do our best; and He made Wholesome Bread gives | the Catholic church for us to do it in. His purpose is over it all, and who are we to denounce others for not feeling able to adopt precisely the same form of service in

the church which we think correct?' It would hardly be possible to label the bishop of London with any peculiarity, because his peculiarity consists in his absolute kindness and tenderness and his untiring efforts for the happiness of others and the welfare of his church and diocese. He has, in fact, the peculiarity of a man who works from morning to night.

A knock at the study door, whither we had gone; his daughters wanted their father for a walk; the bishop threw away his (seventeenth?) eightete, and bade me Forget it Not. good-bye, and I knelt for his blessing. I knew, as I walked home, that I had been, not only in the presence of one of the most remarkable men of his age, but also

of a 'steward of the mysteries of God."

Well Known.

It's a well known fact that most patent medicine "ade" are "fakee" but since introprietors have adhered strictly to the rule BOOTH & CO'S "of publishing none but legitimate testimonies." "You are at perfect liberty to use my name if it will be of any benefit to rheumatic sufferers," writes Charles Sudds, had at lowest prices. Simcoe Island, farmer. Mr. Suddesays he suffered untold agony with rheumatism for eight years. The disease affected him in the back and down the sciatic nerve. The pain and loss of sleep he experienced made life not worth living. He might "as well have taken so much water as the various other rheumatic remedies he tried."
