My parents were of course in great, distress, and I knew by the looks and actions of friends who called to see me that they thought I was doomed to an early death. Shortly after this an aunt of mine, Mrs. William Henderson, of Toronto, came to visit at our place. My condition troubled her very much and she ineisted on my trying Dr. Williams' Pink Pills. To please her I consented, but with little hope of any good result. The effect, however, was wonderful and a pleasing surprise to me. I soon began to feel more cheerful and seemed to feel stronger. Then my appetite began to improve and the color return to my cheeks and lips. From that hour I steadily gained strength. and was soon enjoying my former excellent health, and I am sincere in expressing my belief that to Dr. Williams' Pink Pills do 1
