WHO PAYS THE COST?

An outcry has been made against the

liberal government at Ottawa because it

presumes to adopt the provincial voters'

lists. This involves a great saving of

money, and the question was here raised,

against the municipalities being obliged to

If there is any grievance about this

ernment does not propose to add to these

burdens, and if it does it should see that

Perhaps this is the time for a readjust-

A FOREGONE CONCLUSION.

they are provided for in the estimates.

councils had better give attention.

and traders, will be left unused.

the peace only have their way.' What's

But the idea is that the government,

senate's snub, will, because of the emer-

support certain modifications and amend-

ments, will tell the government how to do

its business, and if the government is

willing to accept this advice everything

Will the government take that position?

Hardly. Hon. Mr. Mills probably reflects

the minds of his colleagues, and he has in-

the use of a tory majority in the senate i

the party does not use it !

Isn't It Sweet!

That was a popular and oft-repeated expression at our Millinery Opening. Don't miss seeing our display.

THEN AND NOW. ashamed of. We know little of the Bellein Kingston. Men in caucuses and little conferences over spoilshere have struggled getting a contract in the penitentiary or with the "hungry grits" in office, every contract for battery "A" goes to conservatives. Conservatives are doing work in and about the city which the nor seeking unfairly to capture. When conservatives were in power tenders were manipulated so that liberals could not get a contract. With liberals in power consorvatives get a fair show, and the reform-Distributing Agent for Kingston. beggars from the Intelligencer and a long malignant feeling from the Kingston consorvatives. If conservatives had come to a power after a liberal lease of eighteen years a large portion of the officeholders of Kingston would be swept out of their positions. With a liberal government in power every conservative is as solid in his position as if Sir Charles Tupper was still master. To talk of "hungry grite," when they are not one-twentieth as greedy for patronage as the conservatives had been for eighteen years, is to declare that the conservatives were grabbers of the first order Why is it that conservative journals like the Gazette of Montreal, the Mail of Toronto, or the wee, little Intelli gencer of Belleville cannot speak of a lib-

> The Willic has some reason to know the depths to which the tory party can go on advice. the spoils system. The only advertisements, save one, received by it in the eighteen years of the reign of the conservatives were three notices of warning anent firing at the ranges of Barriefield common, a service absolutely necessary, because it was the only paper circulating thoroughly in that rection. The account was sent repeatedly to Ottawa and rejected. Finally a more than usually bumptious letter came from major Benoit, of the department, and Col. Hughes, of Lindsay, and Col. Wilson, of Quebec, were told that they would have to pay the accounts themselves. They communicated with Hon. J. Patterson, minister of militia, who wrote a private letter to the publisher, stating that having look. treatment the paper had received, and it the account would be enclosed to him pri. | city solicitor was present. vately he would see to its immediate pay. ment. And it was promptly paid. Ad vertieing and inting ordered for Frontenac franchise court by judge Wilkison are still unpaid.

eral with decency ?

e Intelligencer says that the presiwhich prepare the lists that have hitherto of the Kingstonreform asseciation has resigned because of dissatisfaction with Sir Henry Joly on the spoils question.
