FOR WAR."

His Enthusiastic Speech Excites Great Applause In the Galleries - The Resolution for War As It Was Introduced Yesterday Into the House Of Representatives By Mr Marsh, Illinois-Upinions Of the spanish Fress.

WASHINGTON, March 30 -Interest in the uban situation—the interest might almost be termed excitement, so intense was it-reached a climax in the proceedings of days of discussion of the Cuban question, only a few of whom, comparatively, could of Spain." gain admission to the galleries.

Within five minutes after the senate convened Mr. Allen, Nebraska, introduced a resolution recognizing the independence of the Cuban republic. This was followed by a resolution proposed by Mr. Rawlins, Utah, declaring war against the kingdom of Spain. Mr. Foraker, Ohio, a resolution declar-Cuban war as would bring about the independence of the Cubans. Following this came a resolution by Mr. Frye, Maine, demanding that Cuba be made free. The resolutions followed one another rapidly, the galleries were in a commotion and the people were prepared for anything.

This was the condition when the vicepresident recognized Mr. Mason, Illinois, of war. for his announced speech on the president's message transmitting to congress the findings of the Maine court of enquiry. Mr. galleries was evinced by a storm of ap-Hobart had real difficulty in suppressing about twenty-two knots. the demonstration.

Describing the destruction of the Maine in Havana harbor the Illinois senator said: "The night came on-a dark, gloomy night, natural and proper time for Spanish bravery. Our men were asleep in a friendly harbor. They were never challenged to try their courage. They were not whipped night. in honorable battle, but choked, burned, strangled and drowned without a chance to die fighting for life, without a moment to say a prayer. In the twinkling of an eve they stood in the presence of their Maker. Suppose ninety of them had been United States senatore; suppose the balance had been members of congress or days have elepsed had a son or father? Do we tell our chil dren the truth when we say the life of every American is of equal value before the law? They are not senatore; they are sailors. Their widows and orphans cry aloud to us. The silent appeal of 268 seamen comes to us again and again, saying, court. 'we are flash of your flash, bone of your

bone and blood of your blood; we lived and died for the flag that shields you.' What, is to be our answer? Shall we answer with money?

"Mr. President, I speak only for myself and I am for war" (great applause in the Mr. Mason does not approve of the line

of action taken by president McKinley. Here is what he has to say on that subject: "We can hide no longer under the execu- for the criminal records if Mr. White had tive wing. He can neither declare war nor | not shuffled off this mortal coil. refuse it. Congress alone can declare war. I for one am ready to vote now. You may for he leaves three wives. Laura Smith would continue to cry 'peace,' 'peace', but there can be no peace while Europeans own and butcher their slaves on the same continent where our flag floats.

"But there are those who say that the court does not fix the responsibility. It was not necessary. The 'peace at any. price' man cannot escape so. The law fixes the responsibility. We were in Spanish waters and over Spanish soil. The harbor is owned and controlled by Spain. The explosives in that harbor were owned and controlled by Spain. If it was a torpedo it was a Spanish torpedo; if it was a mino it was a Spanish mine. No explosives have been on sale in Havana for over a year to a private citizen. If it was gun cotten it was Spanish gun cotton; and if it was dynamite it was Spanish they control the discharge of their cannon. Spain, and Spain must answer." (Great son was Miss Young.

excitement in the galleries) The concluding remarks of the warlike senator from Chicago fairly electrified his upetair bearers. Here they are : "Let us awake. Shake off the Chinese narcotic that
