WHAT THE NATIONAL VOLUNTEER

Millions of Loyal Americans Are Expected to Enlist The Objects of the Movement and the Progress Made Toward Organization-General Schofield at the Head.

RESERVE IS TO BE.

Seldom has a more popular movement been started than that of organizing the National Volunteer Reserve. Colonel William 'D'H. Washington, who originated the idea, has been aided by prominent officials and military men from all parts of the country. The initial steps toward organization have been taken, and if the enthusiasm with which the plan has so far been received does not abate Uncle Sam
