Found in a Manger

STABLE THIS MORNING.

The Face Badly Decayed, An Evidence That the Man Has Been Dead Some Time-The Dead One Supposed to be John Entop, an Old Pensioner-The Details of the Case as They are Disclused.

Shortly before eight o'clock this morning the dead body of a man was found crouched in a manger in the American hotel stable. The discovery was made by Mr. Pringle, a farmer near Camden, who was placing his horses in the stable. That particular stall is very seldom used, only when business is brick, and has not been

occupied for a couple of weeks The body was considerably decomposed. especially about the face, showing that the | Hall man had lain there for some time. Mr. Whitney, proprietor of the hotel, was called but he could not identify the roconveniences. Rent moderate. Apply next mains nor could any of his employees.

Sergeant Nesbitt and police constable Timmerman, of the police force, were soon dence, 189 Johnston street. Good locality, on hand but they could not identify the man Coroner Kilborn was summoned and also Reid's ambulance The coroner was VERY COMFORTABLE DWELLING, NO. | unable to make a full examination owing A 184 King Street, possession May 1st; mod-brn improvements; rent moderate. Apply next door to Isaac Simpson. to the fifthy plight the body was in. He ordered a removal to Reid's morgue where ordered a removal to Reid's morgue where the body was dressed and prepared for

From the position the body was found in the man apparently had fallen into the manger backwards, while sitting on the A THREE-STORY BRICK HOUSE, MODERN A conveniences, situated 240 Johnston Street edge. The head and feet were sticking above the level of the body, which was lying partly on the side. It is thought the THE STONE RESIDENCE, 240 QUEEN ST., man was in an intoxicated condition when he sought shelter in the stable, for his clothes were polluted with vomit. It is this is found necessary. also surmised that death was the result of smothering, through falling into a cramp

The face was pretty well gone and the fingers of both hands were blackened, and had begun to decay at the tipe. In FUMNISHED OR UNFURNISHED, FROM his pockets were found copies of the Chicago Blade, dated April 3rd, and the Chi rooms; modern conveniences. Apply to Dr. | cago Ledger, of April 6.h, also fifty-five cente in change, a clay pipe with steel cap, brooms at Redden's.
