A Vehicle Not Kept in Good Repair

Is Liable to Break Down Suddenly and Bring Its Owner to Grief,

That is the way with the human machine; it is very apt to break down suddenly when it is not kept in good order. Colds are responsible for much of the lowered vitality that affects so many individuals, because, in nine cases in

ten, those colds are neglected and allowed to run their You cannot cough much without doing yourself an injury. The mere act of coughing sends the blood flying to the lungs, producing a slight congestion. Repeated slight congestions weaken the lung substance. This is a fact, sodo not pride yourself on your strong lungs and think a simple cough will not affect them. and that you are safe because there is "no consumption in your family." Consumption -

is a communicable disorder; irritated air-passages and congested lung-substance invite the bacilli tuberculosis to enter and take possession. This is true as gospel. If you have a cough, stop it before it has irritated your throat and air-passages, by the faithful use of Shiloh's Cough and Consumption Cure, the favorite remedy in the States, having been on the market these past fifty years. Mr. Alex. Lewis, of Frogmore, La., says: "Some time ago I suffered

terribly from a hacking cough, and the doctor said I would get consumption if I let it run on. I commenced taking Shiloh's Consumption Cure regularly, and am now completely recovered." Your money will be returned to you by your druggist if Shiloh's fails to relieve.
