A Social In The Grove.
SHARLOT LAKE, June 13.—W. Y. Cannon is erecting a store in the old stand and J. Hestington one opposite it. On June 2nd Mrs. Weir died at her son's home near Oro. Her remains were interred at Oro on June 4th. A. W. Buel and T. B. Campbell are on the sick list. The Sharlot Lake mine played a friendly game with Missieppi boys, but a recent game with the weather only four innings were played. The result was seven to ten in favor of Missieppi. Mrs. Charles Ball has returned from Kingston hospital much improved. Miss Sarah Henderson is visiting friends in Kingston. June 12th was flower Sunday in the Presbyterian church. The church was very prettily decorated, and the voluntary was sung by the children. The service was conducted by the Rev. C. H. Emilton and was much enjoyed. On Thursday evening, the 9th inst., a social was held by the members of the guild in Thompson & Avery's grove. Refreshments were served and dancing and games were indulged in. The proceeds amounted to over \$6.

Odessa Occurrences.
ODESSA, June 14.—A very interesting event occurred here on Thursday last when David Milsap and Mrs. R. Smith were united in marriage at her home by the Salvation Army sergeants of Montreal. Quite a number witnessed the ceremony and partook of lunch on the lawn. Mr. Carwell, the far-famed orator, gave an excellent temperance address in the Methodist church last evening to quite a large audience, who appreciated his true logic and witty criticism.

A farwell social will be given Rev. W. B. Secombe and family on Friday evening next at the home of Robert Aylesworth. Strawberries, ice cream and cake will be served, also a good programme. Miss Blanche Hogle, Montreal, arrived here on Saturday last to spend the summer vacation. Mrs. William Wyoott, Waterbury, is spending a few weeks at her father's, Russell Howard. Mrs. Maxwell Lapun is visiting her mother, Mrs. Wyoott, at Waterbury for a couple of months.

Mrs. Anderson, Northport, is visiting her daughter, Mrs. Sidney Denyes, for a few weeks. Miss Freeman, Sydenham, is the guest of Miss Nellie Davy. James Gordon, Oshawa, N.Y., has been spending a couple of weeks at his grandfather's, B. Gordon. Charles Gordon, Horkiner, is spending his vacation with his mother, Mrs. A. B. Gordon.

AFFAIRS ONLY TANGLED.

Letters Affairs in a Fair Way of Settlement—Arno's Opinion.

CHICAGO, June 14.—Joseph Leiter, interviewed on the collapse of his wheat deal, said that his affairs, for the moment more or less tangled, are in a fair way of settlement without the intervention of a trustee, and without invoking the machinery of the courts as would be necessary in the case of a bankrupt. The Chicago trade will all be taken care of. In fact, he said, he has been already protected, for he is even on the market so far as September contracts are concerned. The cash wheat business will be transacted through Alexander Geddis, for the benefit of the banks which have an interest in it and which will act in concert; the June wheat, representing the cash wheat in the market, will be carried by Arno & Co.

P. D. Armour does not take a particularly gloomy view of the situation. He says: "Most of the wheat with the banks is pledged at eighty cents a bushel. I confidently believe the market will react positively before the end of the week. Wheat has got down to a point where it is worth the money, regardless of speculation arrangements. Mr. Leiter's cash wheat in all positions between the northwest and the banks will not have to take a loss."

Mr. Armour says that in relieving Mr. Leiter of his June and local cash wheat his firm took only 240,000 bushels.

LONDON, June 14.—The collapse of the Leiter wheat corner caused a panic in the Liverpool market, the heaviest movement recorded in wheat since the excitement began occurring this morning. In London the news of the collapse was received with equanimity. The consensus of opinion of a number of operators on Mark Lane is that the English markets will gain steadiness now that "the plunger operating without regard to market precedence is shaken out." It is asserted on Mark Lane that the collapse was due to Messrs. Armour and Pillsbury. The newspapers generally rejoice at the break down of the Leiter's plans and point to it as a moral.

CHICAGO, June 15.—It was stated by friends of Joseph Leiter that the attachment issued against him in New York will not affect the situation, that it will not force an assignment. The appeal to the court of New York was evidently anticipated as a representative of a creditor was here, and told Mr. Leiter that he was going to do something. Mr. Leiter told him to go ahead and do it.

P. D. Armour yesterday bought all of Leiter's cash wheat in the north-west amounting to four or five million bushels. Some authoritative information is also obtained that Armour will take up all of Leiter's wheat.

If You Wore a Girdle of Jewels

Would You Let Them Slip Away From You One by One, Without Seeking to Find and Restore Them?

No, you would search until you found each jewel and set all in their proper places. Why not be as careful of the inestimable jewel, good health? I knew a beautiful woman, the young wife of an Attorney General, who was pronounced the healthiest woman in her State. She would be living today but for her reckless disregard of health. Leaving off her girdle in order that she might experience the full enjoyment of the dance, she would take contracted cold after cold, but paid no heed to them. Husband and friends constrained in vain; she would take no remedies, exercise no care. "I am young and strong and healthy," she would say. "What signifies a little cough? Just there she made a great mistake. No cough is unimportant! Every cough is a symptom of constitutional disturbance. There is no such thing as a local disease, but there are local manifestations of general disorder. You get a chill; your pores are suddenly closed; your blood driven inward sets up congestion in some vital organ, your weakest, whichever that is; then appears the local symptoms. If the cold strikes your respiratory system, sore throat or cough or catarrhal trouble ensues. Take care! In hand immediately and send for that wonderful specific—Shiloh's Cough and Consumption Cure. Meantime restore heat, open the pores and equalize the circulation by wrapping yourself in blankets and taking a hot mustard and water foot-bath. Shiloh's Cure will do the rest; it will soothe the inflamed and irritated mucous membrane lining the air-passages, and stop the cough. If it does not do this, return it to your druggist and get your money back. Shiloh's Cure has been sold on this guarantee throughout the States for nearly fifty years; 50c., 50c., and \$1.00 a bottle; in England 1s. 2d., 2s. 3d., 4s. 6d.

Messrs. S. C. Wells & Co., 12 Bow St., N. Y. GENTLEMEN—I have used Shiloh's Cough and Consumption Cure for severe coughs and colds with the best of results. It always worked like a charm, stopping my cough immediately. It is the very best of all medicines that I have ever tried, and I have tried a great many.

COLBROOK, June 13.—Mrs. Eckardt, Toronto, and her two children are here to spend the summer at the home of her mother, Mrs. William Bann, Watertown, N.Y., is expected to join her in a few days. Since arriving here Mrs. Eckardt and children have been very ill, but are better. Luke Bell, Petrolia, Ont., over eighty-two years old, has been called to the bedside of his son, S. C. Bell, who is dangerously ill. Mrs. Gustav Ingram, a sister of S. C. Bell, also arrived on Thursday. Mrs. C. H. Warrman and Mrs. Bell, Tamworth, are also visiting the sick. The Sons of Temperance held a convention on Friday. There were representatives from Napanee, Odessa, Newburgh, Enterprise and surrounding villages. They held morning and afternoon sessions. A free dinner for all was provided by the young ladies and served in the Orange hall. In the evening Edward Carwell, the matinee orator, gave a lecture in the church to a congregation. All expressed themselves pleased with the discourse. S. C. Bell still remains very low.

Eightburg Etchings.

EDMUNDS, June 14.—The weather has been quite showery of late and vegetation of all kinds is growing rapidly. The equipment and management of Union factory are both first class, and the choice it turns out is large in quantity and excellent in quality. A Cranston has added a verandah and coat of paint to his house and made other improvements. Charles Lewis is also putting an addition to his house and making repairs. Mrs. Moore now occupies Mrs. John Horning's farm, while her place on the Irvine farm is taken by a Mr. Smith, late of Jackson's Mills. Hattie Letherland has returned home from a week's stay in Sydenham. Sarah Knight has a new bicycle. Maudie has been prevalent heretofore lately, a few cases quite severe. Mr. Jamieson and John Irwin have been sick, and William Lawson is in impaired health. Laura Lawson has been on a visit to Watertown, N.Y. Mrs. Edwards, Kingston, and Mrs. Irvine, Pilot Mound, Man., are at L. Spooner's. Mrs. H. Counter has returned from a visit to Portsmouth. John Martin has much improved the appearance of his property by putting up a woven-wire fence. Band practice last night.

Beautiful Church Grounds.

NAPANEE MILLS, June 14.—Road work is being rushed. There seems to be less work done every year. Removing snow from roads in winter is now recognized as a state labor, consequently many have their work done during the winter. This seems to be an evil that requires a remedy. There is considerable sickness at present. Mrs. Bergeson, ill with inflammation of the lungs, is recovering. Mrs. Colden is dangerously ill. Miss Kelly is slowly improving. Mrs. Maston is able to be around once more. Edward Rook's horse ran away on Saturday, with no other occupant in the wagon except his three-year-old son. After running a distance they broke loose from the wagon. The child was not injured.

Mr. Reid, principal of the public school, is giving extra instructions to the candidates for promotion. Mr. Tink is the assistant sent by the Methodist conference to Newburg circuit, which includes the Methodist church here. A fine cement walk has been laid from the door of St. Jude's church to the road. It is a great improvement. The congregation intends to clear the yard and beautify the grounds at once. When this is done the beautiful little edifice will appear to better advantage than ever.

Gladiators Reciprocity.

LONDON, June 14.—Sir Charles Tapper is quoted in an interview as discussing lengthily the relations between Canada and the United States. He said: "Canada sympathizes very warmly with the proposed rapprochement between Great Britain and the United States. It has always been our desire to have the most friendly commercial relations with the republic, but hitherto the United States has not shown any disposition to reciprocate."

"The McKinley and Dingley and the alien labor laws presented conclusive evidence on this point. I believe, however, that the present is a most propitious time for the settlement of all questions, and, in the changed temper of the American people, I think they can be approached with a fair prospect of a just settlement."

Fought With Swords.

PARIS, June 14.—Count Bonifacio de Castellano, who married Miss Olga Gould, New York, fought a duel this morning with Henri Tarot, of the Petite Republique Francaise. Three rounds were fought with swords and M. Tarot was wounded in each round, twice slightly and the third time severely, in the right forearm, thus ending the duel. The dispute which led to the meeting grew out of M. Tarot's comments upon an act of infanticide committed by a servant in the count's household.

Immediately after the Castellano Tarot duel Gerault Richard, of the Petite Republique Francaise, and M. Bernard, a socialist deputy, fought a bloodless duel of six engagements.
