I suffered for two years with what the

case of consumption and debility, telling me that my life was but for a few months at the best. As I was about to give up, box of them worked such a wonderful a medicine that would help me. I continued the use of the Pills, receiving from them day by day flesh, strength and vigor, in fact friends of mine that had not seen me for some time hardly knew me, so great was the change that Dr. Ward's Pills worked. Out of the fullness of my heart in the joy of my being rescued from the grave, comes this testimonial. I shall, as long as God permits me to live, herald forth their usefulness and life-saving power to all afflicted by that monster of disease that almost claimed me for its victim, thereby repaying you in a small measure for the grand, new lease of life Dr. Ward's Blood and Nerve Pills have given me.
