AT THE CAPITAL. Sermon by Dr. Saunders-Death of Mr

Ottawa, Jan. 19.—(Special.)—During the course of his sermon in the Dominion Methodist Church last evening Rev. Notes From All Over-Little of Every Dr. Saunders made a reference to the degeneracy of debates in the House of Commons, of which the discussion last R. S. White was given a complimentary sonal calumny should be slain at the your famous Valleyfield escapade; but now doctrines he preached were erroneous, his remainder had been softened up by the door of our Legislatures, he said.

umnles, and the absence of honest argument for which many speeches were conspicuous. He said if such methods were continued they would ultimately destroy the country. Political and perdoctor also repudiated the idea that he claimed prevails among the people, that no politician, member of Parliament or Minister of the Crown could be honest. He said this was a false ignant disease that if not killed would spread through the body politic and bring demoralization in its train. There were honest men in public life. There were public men now gone whose mem tions might have been impugned, bu their characters remained spotless. This the sake of the country, for the sake

An eighteenposition for the race, broke during the morning, and the original thirteen foot It had been decided to make the run eighteen miles, or three times around the six mile course, with a time limit of one

At the finish of the ice yacht race on Saturday a protest was entered against the Pastime, it being claimed she did not round the western buoy to starboard as provided for by the rules. F. H. Macnee, who handled her, says that when he neared the buoy his rudder skate slipped and he was forced to jibe. He rounded the Pastime up, and, instead of passing the buoy to starboard, came down the home Mrs. Anna Aspinwall, the wealthy and stretch with the buoy to port.
