REV. DR. CALTHORP, SYRACUSE, N.Y. Dr. Calthrop has a striking personality. To the eye he is a most picturesque figure. His head and face, framed in luxuriant masses of silky, snow white hair and beard, are of the type of Bryant and Longfellow. Although over seventy years old his rather figure is firm and erect an every movement is active and graceful. His whole life long he has been an ardent and even at his advanced age, plays tennis with all the vigor and skill of a young man. To Syracusans, perhaps, this remarkable versatile man is most widely known, apart from his profession, as a scientist. On a bright April morning a reporter followed the winding driveway that curv-

ing around the hill leads to Calthron Lodge, an old fashioned red brick mansion, surrounded by a grove of oaks and chestnuts. Wearing a black skull cap and a black coat of semi-clerical cut, the master of Calthrop DIAN Lodge graciously received the reporter who called to enquire about his health, though manfully repressing all possib. evidence of his suffering. Dr. Calthrop for many years had been the victim of a sponsive Action. Perfect Workmanship, Fine distressing affliction, until by fortunate which has effectually cured him. During more than half of his pastorate in Syracuse, Dr. Calthrop has been trouk D. W. KARN & CO. led with rheumatism, and at intervals h. suffered excruciating agony from it. times the pain was so great as to prevent 217 Princess Street. him from walking. Many remedies were friends had given up hope of a permanent

In a letter written to the editor of The Evening News, of Syracuse, last year, Dr. Calthrop told of his affliction and its cure. This is Dr. Calthrop's letter: To the editor of The Evening News, Dear Sir: More than thirty-five years ago I wrenched my left knee, throwing it a most from its socket. Great swelling fo lowed, and the synovial juice kept leaking

Henty. from the joint. This made me lame for years, and from time to time the weak knee would give out entirely and the swelling would commence This was always occasioned by some strain like a sudden stop. The knee gradually recovered, but always was weaker than

About fifteen years ago, the swelling The Red Red Wine, by lack- recommenced, this time without any wrench at all, and before long I realized that this was rheumatism settling in the weakest part of the body. The trouble Stanley an opiate in my pocket, everywhere I had generally a packet in my waistcoat pocket, but in going to a confer ence at Buffalo, I forgot it, and as the car was damp and cold before I got to Buffalo knee was swollen to twice its natural

I had seen the good effects that Pin Pills were having in such cases, and ried them myself with the result that have never had a twinge or a swellin This was affected by taking seven or eight boxes. I need not say that I am thankful for ny recovered independence, but I will add

that my knee is far stronger than it has
