WILL ISSUE A NOTICE.

Giving Belligerent Rights to the Cubau Insurgents.

NEW YORK, Feb. 6. - A Washington despatch to the Herald says: It is understood that as soon as Gen. Weyler, the successor of Gen. Campos in command of the Spanish forces in Cuba, assumes his new command he will issue a proclamation practically giving belligerent rights to the insurgents. Secretary Olney has been advised of the proposed proclamation. The proclamation will declare the intention of the Cubans confine by the Spanish forces. Gen. Weyler

expected, within a week. He is expected to conduct a vigorous campaign, to open just as soon as he assumes the command of the Spanish troops on the island. Business is Satisfactory. The annual meeting of this congregation was held in the school room of the cess street church last evening at eight o'clock. After devotional exercises Prof. Nicol was appointed chairman, and James R. Farrell, secretary. The meeting was large. The various reports submitted were interesting and showed excellent results for the year's work. The session's report showed an increase in the number of families and in the membership of the previous year. Reference was made to the great loss sustained liam J. Dick, elder, last April. (LATE DR. IRWIN'S SURGERY.

SWALLOWED A TACK. And a Surgical Operation is Needed to Take it Away. Some days ago Charles Simmons, clerk merchant, was called upon to show a newly-patented variety of tacks to a customer. He took down a box containing the goods and drew out and placed between his lips the tack that held the lid closed. A moment later the customer made a jocular remark, at which the clerk laughed heartily, with the result tack went down his throat. Since then he has been under the care of his medical adviser, and yesterday was in a very precarious condition. All efforts to withdraw the tack being unsuccessful, the dectors have decided to perform a surgical opera-
