Bogus Order, But Suspicion Was Aroused by the Bad Orthography-Mr. Crate Don't Know the Lady.

Last evening T. Crate, proprietor of the

British American hotel, received a telephone message from Richmond & Co's, Princess street store, asking if a young woman named "Johnston" was employed in the hotel. Mr. Crate informed the inirer that he had no woman of that name in his service. He was then asked if such person had recently left his employ. To this question, also, a negative answer was returned and was followed by a third inquiry, as to whether or not Mr. Crate or Mrs. Crate had given a woman named Johnston an order on Richmond & Co. but Sir Hibbert Tupper spoke it about his for goods. Mr. Crate had given no order to any person, neither had Mrs. Crate, he was morally certain. He inquired, however, and found that the lady in question information be communicated to Mr. Richmond, who then informed him that a woman, calling herself "Miss Johnston." and apparently about twenty-eight or thirty years of age, had, during the course of the afternoon, presented to one of the day night was full and the success com- clerks employed in the store, an order, orthography, shown by the writer of the order, at once created a suspicion in Mr. Fire last night, at the corner of Kent Richmond's mind that semething was wfong. He noticed that "Richmond" was was written "Creat," and that various other blunders had been made, which could not be reconciled with the idea that the document had been written by the lady whose name was attached to it. He declined to let "Miss Johnston" have the

finding that her "little scheme" was baulked, the young woman took her de-Mr. Crate is at a loss to know who the woman is. That her name is not "Johnston" may be taken for granted, but as neither Mr. Richmond nor any of his clerks toba, was in the city to day.
