AIR FULL OF RUMORS.

The air at Ottawa is full of political rucourse based on fiction. One of the latest | now prevails. is that Mr. Greenway has set out for Ontario, that his destination is Ottawa, and CTTUMCS that his mission is to confer with Mr. Laurier in regard to his admission to the liberal cabinet, that he is to be as the representative of Manitoba. His place is even selected for him. He is to be minister legislature of Ontario on its splendid work, of the interior, vice Mr. Daly, for whom a and declares that "the work of law-making Saturday; the funeral sermon was preachsearch may have to be made after the next in this prevince is in safe hands." Score

obliged to leave the hard work of the gov-

again, health permitting, in the commons, and he may do so, in which event Mr. Laurier will have the aid of a man who understands the wants of the prairie province and North-West better than any man now in public life, and who will lend incomparable prestige to the new govern-

It is hoped the rumor is true. WHISKEY IN DEBATE.

One could infer the condition of things parliament when Sir Richard Cartwright said a continuation of the orgies Cleg Kelly, Arab of the City, would provoke a personal attack on some people, and a demand for the abolition of
