THE BARBARIC IMPOST.

The Ottawa correspondent of the Hamilton Times has it that if ever Sir Charles THE TOLLS ON THE ROAD QUES-TION AGAIN. A Correspondent Declares the Gate Sys-

> -Discussion Must Do Good. KEPLER, April 6.—(To the Editor): In reply to "F. R's" letter of the 24th ult., I am pleased to see the subject of tells thoroughly discussed, as it shall at any rate eration of the British empire exists to day, awake the people to the truth, and must in so far as the corrupting and consequently be productive of good results. I am sorry, however, that you have one totally disinterested in the matter, except mit it to exist. from principle, to present the anti-toll side of the question.

Those opposed to the toll gate system are referred to as adventurers, in both "W's" and "F. R's" letters. Reason tells us that those who take a course contrary to the rules of nature are really the adventurers. And to say that the toll system | this and other countries, where it is sought was an adventure is to tell you what you already know. It was and still is a monstrong adventure that has been a hindrance and a nuisance, and shall be such as long to use her army and navy to force her as it exists. Now to get things back into their natural order may be quite an adventure, but not in the sense that they use it. injuriously affected by the very protective

That the roads might better have been contrary. If the people of this county to the thought. This is but one of many have been able ever since then to pay fines mean and petty, not to say false asserto stock holders but also maintains a good- ously circulated in this and other countries ly number of families, surely they could by the advocates of protection, and acments and keep the roads in good repair. ticeable feature of our times If the stock holders are not receiving a As the strongest tie that binds the emfair interest on their investments there is a great injustice; and that the county should spect and love, such assertions by public pay for the maintenance of toll collectors men like Sir Charles Hibbert Tupper must

There certainly is no barbarism in the barism, and the rankest barbarism, especi- of many millions of dollars. ally when such might have been easily Many post offices fit to accommodate avoided as shown above. We have, however, | the business of large cities have been built is dissolved and the members sent to the a certain respect for the past that makes in small towns to influence the vote of the us cling tenaciously to old forms and old electors. usages, and induces us to meet any new thought or plan in a spirit of wariness. This is, in many respects, good, but, nevertheless, it is no honor to antiquity to copy

> we do not propose to uphold statute labor | favored manufacturers. as a means of keeping roads in repair, although many of our rural roads, maintained partly by statute labor, are in even better condition than the toll roads. Statute labor has this advantage, for the best authorities and common that it affords the farmer a chance of doing the work which he would otherwise ultimately paid for by the farmers and have to pay for. But still the statute laborers of the community. labor system is pregnant with evils. A path-master is chosen in each section, and as these understand but little about road | empire to destroy the influence of the blusengineering a great part of the labor is tering boomsters who boast of their power misspent. This is why many rural roads to corrupt the whole empire, by foisting are in such poor condition; and perhaps we can trace the origin of those recent by and disintegration they have already letters condemning toll roads to the same created in some of its parts, by the succause. This evil could be overcome by engaging competent and practiced road overseers; and could be carried out most effectively in the councils. I consider doing statute labor on a public road is unjust, and the more public the road the the ring of British nations that girdles the more unjust it is. The council could en- world, will sweep from her path the band gage laborers to improve these roads and of boodlers that now bars her way to imhave the just proportion charged to each perial unity .- H. WASHINGTON.

F. R. asks how we would discriminate except by a toll system. Discriminate against what? If he means as "W" puts t against those who are remote from the city our answer is: Discrimination just here is a much disputed point. If we are away the bridge south of Gordon's Corners. all taxed alike and the larger school sec. Half the section around here are short of tions pay more than the smaller and more remote or as, and yet all receive the same | does not improve the situation. legislative grant, and all acknowledge it a laternate thawing and freezing is some wise plan. Then what reason have we to what impropitious for fall grain and talk about discriminating against our less fortunate brethren who are obliged to drive much farther to dispose of their produce ? Or even if it was decided to do so, many less scratchings of the pen than F. R. must have made in his letter would conclude all satisfactorily. This discrimination uneasiness just here reminds me of a heard of this case. Parliament will be for Canadian Pacific railway for re-arrange. lot of school boys I once saw making a justified in discussing it, and the liberal ment of mail subsidies. huge snow man and after they had it completed they knocked it down with showers of snow balls. It would have melted, you

I am asked where I get that \$6,000. Answering, I wrote it as an estimate and worded it so, but F. R. changed the order of wording in his quotation for argument's sake, or perhaps from weak eyes; and then he says the public does not want mislead. ing statement. Kindly allow me to repeat

that with emphasis.

Again I think it is no unfair estimate to

market. I am told that on one of those roads there are five gates. Now, besides those going to market there is a very considerable drive in other pursuits, which goes to swell the amount taken at road gates. I think \$6,000 is a very liberalperhaps too liberal estimate. In conclusion I would remind F. R.

that it is best to avoid quibbling when he here. quotes from an opponent, as such is sure to be unveiled even sooner than the evils of the toll system, and we would be pleased to have him bear in mind, kindly, that we have no war against the toll gates or the road monopolists. Every man has an equal right under the present state of things to become a road monopolist if he can; but the present state of things with respect to monopolies is certainly wrong, and nowhere more markedly so than in the

Lack of time prevents my further oorrespondence but I would be pleased to hear from others on this important subject .-Yours truly, F.A.

IMPROVIDENT FARMERS.

SHARPTON, April 8.—High water swept fodder. The prospect of a late spring meadows. This is not an extra good year for sugar making. Farmers have a great

deal of clover seed to sell. La grippe has been very prevalent for three weeks. Miss Walker has been dangerously ill with it, but is recovering. Her father and brother, William, are also ill. Peter Mohan, from a pain in his leg below the knee joint, has been unable

to leave his room for two weeks. John Taylor has begun operations on a new barn. J. Smith goes to Parham to build a barn for Mr. Averst. Mr. Martin has moved to J. Vanluven's farm. Preparations have been made for the opening

of the cheese factories. Buying so much fodder is a serious drawback to a great many farmers. Some who sold hay cheap last year and the year before for \$6 or \$7 are now buying for double the money. This is a very good way to fall behind. How much better it estimate is astray. Now if the city's net | would be, especially when hay is so cheap proceeds from tolls amount to \$3,000, it is in a year of plenty, to keep over a mow of self-evident that the gross proceeds amount hay to provide against scarcity, for scarcity surely comes now and then. When it does come, if not all required for home say that the average farmer pays nearly consumption, some could be disposed of at twice as much toll in the country going to a good price. There must be bad managemarket and returning as he pays on the ment when on good farms farmers are short of feed. One foolish move would seem to be cleaning the barns out every spring and depending on the incoming crop for fodder for a large stock the following winter. Even in a year of plenty some who call themselves good farmers are obliged to buy. Reports from distant points indicate fodder being scarcer than

Whitmarsh is wearing a beautiful smile-it's a girl. Hilliam Howard made a flying trade lately. J. E. Johnson and wife went to Frankville, on Monday, on business. Mr. and Mrs. J. E. Anglin, Battersea, visited her father, R. T. Taber, last week. Miss Maggie Frye is visiting friends in Athens. Soperton is well populated. "Rose Terrace" tenement is ocfield farm on shares. Neff and Washburn have been cutting wood for their customers with their new circular saw. There is talk of a butter department being fitted in our cheese factory this spring.

[Delayed in the mails.] Cataraqui Chronicles. CATARAQUI, April 8.—Special Easter ser-

rices were held in both the Anglican and Methodist churches on Sunday last. Much taste was displayed in the decorations. In the afternoon special services were held for the Sunday school at which the Rev. J. Holmes gave an interesting address. A number of young people spent a very enjoyable evening at a crokinole party at the home of Mrs. Day. Miss G. J. Nicol, just returned from Pembroke, was called, in her professional capacity, to Belleville. L. A Duncan. First class, F. Singleton; second Flynn has returned from Uncle Sam's dominion. Mr. Northover has moved into one of E. Rilev's houses. A number of M. Dargavel, A. Shortt, E. Stanton. First our villagers, on the sick list, are recovering. Visitors: Stanley Wilson at Mrs H. Foster, W. Richards; third class, M. Day's; C. Wilder at D. Purdy's; Miss G.

Those Awful Headaches.

What is their cause? Can they be cured?

Doan's Kidney Pills will cure People in Kingston say so.

Here is one. Read what she says. Mrs. Presley, 190 King street, Kingston, says: "I have been a sufferer from kidney trouble for several years. The pain in my back was almost unbearable, and I felt | rough feed of any kind left and browsing completely worn out and tired all their cattle in the bush is their only rethe time. I tried several remedies but got no degree of relief, and I it from Renfrew, the nearest source of was troubled with terribly violent supply. Strings of teams may be seen headaches. When I arose in the going to or coming from there nearly every morning I had a very bad taste in my mouth and my tongue was uit., from the effects of a paralytic stroke.
