Mr. Charlton two hours more to the bill, and adjourn, asked Sir Charles to fulfil his promise. 1111 AC Mr. Haggart and Mr. Ives, who are pre- The leader expressed sympathy with the tending great zeal for the bill, declined to resolution, but regretted that the state accede to this fair proposition. Mr. Dickey, public business would preclude him namwho is the only minister that makes any ing a time at which it could be taken to pretence of understanding the bill, was absent through illness, the result of the all night sittings of last week.

> Still in Session. probable there will be continuous until Thursday at least. The thirteenth clause in the bill has been reached.

The anti-remedialists have heard news s-day. It is said that the government will pass as many clauses of the measure as they can, and will abandon the remainder of the bill. They will have the preamble passed, and will try to secure a third reading of the measure. If say twenty clauses of the measure are thus passed and the bill is rushed up to the senate, the remedia ists would have a fairly complete law. The government would be able to assure the Catholics that they had done best for them and that the bill would be amended and supplemented next session. This is known to be Sir Charles'
