"The height of my ambition," said the first, "is to got my four daughters married North Hastings, where the road is hard as by the time they are 18," "Yes," chimed in the second, "Dr. | ity, lives a young man named Parks, with Parkhurst is exactly right. There is no his wife and three young children. One career like marriage for a woman."

growing up somewhere for my little girl, thing to wear. Parks himself and the I would be miserable," said No. 3 as she other children are clothed in rage. patted the golden curls of a tiny maiden at her knee. woman lawyers for me," said the fourth | had the means to do so. The case is one matron, with dignified emphasis. To any one familiar with the histories

of these women their opinious would furnish food for serious reflection. The first | curtains only \$1.75 per set at R. McFaul's speaker had married a man who had never | Kingston carpe: warehouse. made a living for his family, except in rare and brief intervals of good luck. From the affluence of her maiden days she and descended to such depths of poverty that at one time she was forced to se' cakes on the streets to keep her children from starving. The husband of the second was a man

whose salary gave his family a comfortable living for the first ten years of their married life, but he was stricken with paralysis before the prime of life. The eldest child, a boy of great promise, died at the years, and the wife was left to support three young children and herself as best

The third was the widow of a brilliant professional man. She had \$20,000 th her

The fourth woman had married rather | Bright's disease by the use of Dean's All four had laid health, beauty and are the ones whose opinion is valuable.

BELLEVILLE, May 2.—A remarkably sad ent training and possible futures of their case of destitution has been reported, and one deserving of charitable aid. On a little farm in Tudor township, flint and cultivation a practical impossibilof the children is a babe a few days old; "If I didn't think there was a good man | and neither the mother nor child have any. There is nothing to eat in the house, not even a pound of flour. Doubtless the You are right. No woman doctors and unfortunate people would move, if they which should be looked into at once.
