LIBERAL PLATFORM

ADOPTED BY THE

National Liberal Convention

OTTAWA, JUNE, 1893.

We, the Liberal party of Canada, convention assembled, declare:-1,--Freer Trade--Reduced Taxation.

upon the protective principle, but upon the requirements of the public service; That the existing tariff, founded npon an unsound principle, and used, as it agency wherewith to keep themselves in office, has developed monopolies, trusts and combinations:

It has decreased the value of farm and other landed property; It has oppressed the masses to the enrichment of a few; It has checked immigration;

It has caused great loss of population; It has impeded commerce;

In these and in many other ways it

has occasioned great public and private injury, all of which evils must continue to grow in intensity as long as the present tariff system remains in force. That the highest interests of Canada demand a removal of this obstacle to our country's progress, by the adoption of a sound fiscal policy, which, while not doing injustice to any class, will promote domestic and foreign trade, and hasten

That to that end, the tariff should be reduced to the needs of honest, economic cal and efficient government; That it should be so adjusted as to make free, or to bear as lightly as possible upon, the necessaries of life, and should be so arranged as to promote freer trade with the whole world, more partic-

the return of prosperity to our people

ularly with Great Britain and the United We believe that the results of the protective system have grievously disappointed thousands of persons who honin the light of experience, is now prepared to declare for a sound fiscal policy. The issue between the two political

The Government themselves admit the failure of their fiscal policy, and now profess their willingness to make some changes; but they say that such changes must be based only on the principle of should be put in one electoral division.

We denounce the principle of protection as radically unsound, and unjust to the masses of the people, and we declare our conviction that any tariff changes based ry labors.

2,-Enlarged Markets-Reciprocity. That, having regard to the prosperity of Canada and the United States as ad-

That the interests alike of the Dominion and of the Empire would be materially advanced by the establishing of such re-

the British North American colonies; That the pretext under which the Government appealed to the country in 1891 respecting negotiations for a treaty with the use of tobacco in every form. the United States was misleading and dishonest and intended to deceive the

by them to obtain a treaty, but that, on the contrary, it is manifest that the present Government, controlled as they are by monopolies and combines, are not de-

sirous of securing such a treaty; That the first step towards obtaining the end in view, is to place a party in

That a fair and liberal reciprocity treaty would develop the great natural resources of Canada, would enormously peoples, would remove many causes dispovered it in time." which have in the past provoked irritation and trouble to the Governments of both countries, and would promote those

the Republic which afford the best guarantee for peace and prosperity; That the Liberal party is prepared to enter into negotiations with a view to obtaining such a treaty, including a well . considered list of manufactured articles, and we are satisfied that any treaty so arranged will receive the assent of Her Majesty's Government, without whose approval no treaty can be made.

3.--Purity of Administration---Condemn Corruption. penditure of public moneys which for She returned it with the following: the Conservative party, and the revela tions of which by the different parlia mentary committees of inquiry brought disgrace upon the fair name c

Epistle of John: "Having many things to cally by these expenditures of public write unto you, I should write with paper moneys of which the people have been defrauded, and which, nevertheless, have speak face to face." never punished the guilty parties, must he held responsible for the wrongdoing. We arraign the Government for retaining in office a Minister of the Crown proved to have accepted very large contributions of money for election purposes from the funds of a railway company, which, while paying the political contribution to bathing, good fishing, driving and him, a member of the Government, with one hand, was receiving Government

> The conduct of the Minister and the approval of his colleagues after the proof became known to them are calculated to degrade Canada in the estimation of the world and deserve the severe condemnation of the people. 4 .- Demand Strictest Economy -- Decreased Expenditure.

We cannot but view with alarm large increase of the public debt and the controllable annual expenditure the Dominion and the consequent undue taxation of the people under the Governpower since 1878, and we demand the strictest economy in the administration of the government of the country. 5 .- For Responsible Government-Independence of Parliament.

the action of Ministers and their support ers in parliament, in one case in which serious charges were made against a Minister of the Crown, investigation was a

to the well settled practice of parliament and this Convention affirms:-

That it is the ancient and undoubted right of the House of Commons to inquire into all matters of public expendiin office against Ministers of the Crown, and the reference of such matters to royal commissions created upon the advice of the accused is at variance with the due responsbility of Ministers to the House, of Commons, and tends to weaken the authority of the House over the Executive Government, and this Convention affirms that the powers of the people's representatives in this regard should on all fitting occasions be upheld.

6 .-- The Land for the Settler-Not for the Speculator. That in the opinion of this Convention the sales of public lands of the Dominion should be to actual settlers only, and not to speculators, upon reasonable terms or settlement, and in such areas as can be reasonably occupied and cultivated by the

7 .-- Oppose the Dominion Franchise Act-

Favor the Provincial Franchise.

over a million of dollars, besides entailing a heavy expenditure to both political par-That each revision involve s an addi-

tional expenditure of a further quarter That this expenditure has prevented an annual revision, as originally intended, in the absence of which young voters entitled to the franchise have, in numerous instances, been prevented from exercising

their natural rights; That it has failed to secure uniformity, which was the principal reason assigned for its introduction;

That it has produced gross abuses by partisan revising barristers appointed by the Government of the day: That its provisions are less liberal than those already existing in many provinces

Provincial Franchise.

8 .-- Against the Gerrymander--County Boundaries Should be Preserved. That by the Gerrymander Acts, the electoral divisions for the return of members to the House of Commons have been so made as to prevent a fair expression of the opinion of the country at the general elections, and to secure to the party now in power a strength out of all proportion greater than the number of electors supporting them would warrant. To put an parties on this question is now clearly end to this abuse, to make the House Commons a fair exponent of public opinion, and to preserve the historic continuity of counties, it is desirable that in the for nation of electoral divisions, county boundaries should be preserved, and that in no case parts of different counties

The present constitution of the Senate is inconsistent with the Federal principle on that principle must fail to afford relief | in our system of government, and is in from the burdens under which the coun- other respects defective, as it makes the Senate independent of the people and un-This issue we unhestitatingly accept, controlled by the public opinion of the and upon it we await with the fullest | country, and should be so amended as to confidence the verdict of the electors of bring it into harmony with the principles of popular government.

10 .- Question of Prohibition-A Dominion That whereas public attention is at present much directed to the consideraolning countries, with many mutual in- ton of the admittedly great evils of interests, it is desirable that there should temperance, it is desirable that the mind be the most friendly relations and broad of the people should be clearly ascermeans of a Dominion Plebiscite.

Their Marriage Prevented by a Cigar. The discovery of a cigar in a bridegroom's pocket has caused the indeas postponement of a marriage cerement. That the period of the old reciprocity | When Frank Parks sought the hand of treaty was one of marked prosperity to Miss Jennie Titus in marriage several months ago the young lady consented on condition that Parks, who was an invoterate smoker, should, from that date, discard

It was a difficult matter for the ardent wooer to take such a pledge, but rather than have his suit denied he destroyed his the fratricide returned to complete his stock of smoking utensils in the presence That no sincere effort has been made of his affianced and promised the many grave change in the tadpoles. They simlady that he would be a total abstainer in The young pair last evening drove to a neighboring village to have the marriage
