While playing foot ball Robert Thomas, 14 years, fell forward, striking his forehead upon a lead pencil protruding from the vest pocket of a fellow player. The pencil pierced his scalp for two and a half inches and broke off close to the skin. The pencil was extracted and he is now doing nicely.

KEEPS HIS POLITICS A SECRET. The Prince of Wales Treats All Classes

With the Same Tact

Of all tactful royal personages there is no one that shines more brilliantly in this particular than the Prince of Wales, whose un questioned power and predominant ence in English society and over English life are entirely owing to the delicate tact with which they are exercised. How exquisite 300 pairs is this tact may be gathered, says a writer in the New York Tribune, from the circumstance that, although the prince is apand to Mr. Gladstone. He has both tory thtone, he may be expected to figure as a medel of all constitutional monarchs, holding an impartial balance, between the two Tononto, April 21.—The Gooderhams | great political parties, and being absolute | the petition.
