\*\*Guiter per Orbem Dicor."

THE PASS QUESTION. Before the New York constitutional convention the question has come of forbidding the use of railway passes by pub lie officers, judges, jurors and legislators. by all having to do with those who act as common carriers. The practice of of office," we are informed, and that the mier? 'receipt of the pass tends to make the officials seek for occasions to justify verdiet favoring the corporation.".

A curious development has come out o the discussion before the constitutional convention, namely the declaration that the railroads owe it as a duty to the state to carry its officials free in return for franchise and other privileges." The franchises are not the gift of the state officials, and they have no right to expect any concessions from the railway and steamboat corporations which are ready. are not enjoyed by the general public.

Passes were originally given as compliments to those from whom a reciprocity of compliments were expected. Applying this philosophy to the legislators and the conclusion is obvious that if ninety-sever per cent, of the Canadian legislators travel on passes given to constitutional convention, they will. Mcredith or Clancy? should occasion arise, "seek for reasons to justify a verdict favoring the corpora-
