RNER OF PRINCES AND WELLING TON STREETS, KINGSTON, ONT.

> meant me!) I suppose after each rocket go off, worse luck-with one of those confounded pedantic remarks of his, He's State of California the most pompous little popgun I ever | State of Nebrasia.

'cheep" of a bird several times repeated. The miscreant was kissing her? What I heard made my half smoked eigaretta fall from my drooping lips among the fireworks as I stood palsied, nerveless at the awful fact that Amy, my Amy, lovely, perfidious, fickle, heartless, cruel Amy, was to wed a man who called Adolphustown has lost one of its most esteemed citizens in the death of Robert McLAREN'S CELEBRATED Special: Displays me a "pompous little popul" I determined to destroy this creature who crossed we to polson his life, pulverise his process. mined to destroy this creature who crossed VINCOMON O. DERED me, to poison his life, pulverize his prospects-to blast him. Just then there was

> whole volley of pope, ending with a bang Canada Pacific Railways that half stunned me and filled the place Bewildered, instead of making my escape Single through the door I sprang up one of the side screens, which had a semicircular opening at the top, just under the caves, and seated myself on the rail at the bottom, preparatory to swinging my legs over

and dropping safely outside.

hands to lift myself over, somehow-for I am not an athlete-I slipped, and instead of falling to the ground an unused hammuck book caught in my rear-ward clothing, somewhere in the region of my waist KINGSTON, band, and held me securely suspended, struggle as I did to free myself. I had no purchase for my feet and no hold for my hands. I felt for my penknife to ent loose with, but that lay among the bursting fireworks where I had been opening packages. Then I struggled and oailed for | so days.

the future. After the possibilities displayed by those finite, human fireworks. The little crackers commenced it-pop ter-rop! Then came some of larger caliber-bang ter rang! Then the giant cannon crackers became inspired-boom! boom! Dazed by detonations-paralyzed Watermelon by tright. I hung helpless while the infection spread to enthusiastic roman candles rockets, catherine wheels, triangles, bombs and fountains that himed, whigzed and burst in all the tints of Iris. I witnessed the birth of fiery worlds from star dust, saw constellations wrought of plastic nebulse at a white heat, saw suns and moons play tag and football, comets and meteors run races and collide with furious sizzles, cord of the spheres while the stars shricked. together, and finally saw all the glittering heads of the starry universe laid together

I was sure of it when I awoke to find I was a mummy of the time of Rameses I, daily, Sandays excepted. All other trains swathed in bandages and smelling villain | car accommodation, etc., apply to ously of iodoform. "He opened his eyes," said some one, and I dimly saw Amy's THOS. HANLEY brother Will bending over me. Then all the phitterness of life came back again in one big flood-Amy's falseness, my torn RAV OF BIBBY'S - Cheap Hardware House, and bleeding heart and the ridicule of my DAI UT QUINIT NAILWAI. rival. "Take me home," I said.

in a grand cataclysmic conspiracy to all

come at me at once in a universal smashup.

When Haby was stok, we gave her Castoria. When she was a Chilid, she oried for Castoria. When she became Miss, she olong to Centeria, When she had Children, she gave thou Castoria.
