MISCELLANEOUS. "We always fry ours in Cottolene."

"We always fry ours in Cottolene." Our Meat, Fish, Oysters, Vegetables, etc. Like most other people, our folks formerly used lard for all such purposes. When it disagreed with any of the family (which it often did) we said it was "too rich." We finally tried Cottolene and not one of us had an attack of "richness" since. We further found that, unlike lard, Cottolene had no unpleasant odor when cooking, and lastly Mother's favorite and conservative cooking authority came out and gave it a big recommendation which clinched the matter. So that's why we always fry ours in Cottolene.
