

MEDICAL. THE G. O. M. OF CHINA.

LI HUNG CHANG, THE PREMIER OF THE EMPIRE.

A Celestial Statesman's Great Ability Who is Progressing the Empire of China—Frank G. Carpenter Interviews Him for Our Readers.

LI HUNG CHANG— I have just returned from the palace of the Emperor...

He has more power than any ruler in Europe, with perhaps the single exception of the czar...

Li Hung Chang is the most progressive statesman of the world...

He is a man of great energy and vigor, and his control of the Chinese navy...

He is a man of great energy and vigor, and his control of the Chinese navy...

He is a man of great energy and vigor, and his control of the Chinese navy...

He is a man of great energy and vigor, and his control of the Chinese navy...

He is a man of great energy and vigor, and his control of the Chinese navy...

He is a man of great energy and vigor, and his control of the Chinese navy...

MISC. SLANEOUS.

older than he did when I was seven years ago...

As this was translated to him, the very eyes brightened...

I sleep only five hours a day. I work about twelve hours and I take a regular amount of exercise every day...

I have more power than any ruler in Europe...

Li Hung Chang is the most progressive statesman of the world...

He is a man of great energy and vigor, and his control of the Chinese navy...
