sought was fourteen. The old soldier's wife died several years ago and after a time he took board with the family of Mr. W. Calder, Toronto, says so. the girl he now seeks to wed. He was go badly wounded in the late rebellion and draws a ponsion of ninety dollars a quartor. As he was very liberal with his money and made little Mamie a great many presents, he was regarded as one of the family. Only a few weeks ago he made her a present of a gold watch, and later still he presented her with fifty dollars in cash to get her trousseau Then came the hitch. Up to this point the family appears to have been kept in monial intentions. The girl appears to have been perfectly willing, and the couple presented themselves to the priest of the The priest was astonished, and refused; he at once informed the girl's mother, and then there was a first-class row. The ancient veteran demanded his presents and his money back, but this the girl refused, so the whole party were summoned to the police court. Meanwhile the Gerry society for the preven-
