THE DAILY BRITISH WHIG, THURSDAY, AUGUST 30, 1894. AFFAIRS OF THE HOUR. The Manufacturers Life Insurance Company—

### It is understood that the pope has invited Cardinal Gibbons to visit Rome. Two Egyptian pashas have been arrested on a charge of buying slave girls. THE YOUNG CANADIAN GIANT

As it has been popularly referred to by the insurance press of the country, stands to-day in the pride of place among the oldest and largest institutions the country can boast. It offers a security not excelled by any other company. Officered by the staunchest princes of finance, whose names are synoptical of success, and whose ability and means are at the disposal of the company, and which together have made it the success that it is, its policy-holders enjoy the protection of a large capital (the company being the Largest Capital Stock Life Insurance Company on this continent) together with almost the entire pro-

### selling cigarettes to boys. Charles H. Gould, a member of the Montroal harbor board, and a leading 90 Per Cent. of the Profits or Surplus are Guaranteed.

and Secured to its policy-holders by Act of Parliament. Not only this, which is a feature no other company possesses, but we also give you an unconditional policy-a policy that is not hedged in by penalties and conditions, a policy which for brevity and freedom from restrictions surpasses anything yet offered to the public and which secures to the policy holders these

No restrictions on the insured as regards residence, travel, occupation or manner of death, Thirty days of grace allowed for payment of renewal premiums.

If the policy should lapse it can be renewed at any time within twelve months from date of lapse on the on the production of a health certificate.

If after premiums have been paid for three full years a policy should lapse through stress of circumstances or unforseen causes within three months from the date of such lapse, on request of the insured the company will issue a paid up policy for an equitable sum of assurance to the amount paid in. You

After a policy has been in force one full year it is indisputable on any ground whatever, providing age has been admitted and the premiums have been paid.

The company will make advances as loans on the security of its policies after a policy has been in force

# decorum. It is reported from Frankford that the mob which took a negro from the jail and hanged him, did so "in an orderly manner." The Will resitively cure sick headache and There is No Moonshine

About these benefits as they are printed on the face of the policy, and are part and parcel of the contract. The company has established a branch office at 159 Wellington street; over Carnovsky's fruit store, where R. McK. Inglis, the manager of the district, will be pleased to give any information as to rates and the various forms of policy contracts issued by the company, and from whom any literature, information, sample policies, etc., etc., can be obtained on written or verbal application. You cannot afford to be without some insurance, even if it were only \$1,000. You may say that you are not well enough off to carry any insurance, but what will your dependents do when you are taken away, and do you not know that we have policies to suit

# death of Jules Montagnon, a Quebec con tack this record been surpassed. The people have had to be educated to the board as a temporary teacher. The changes will occur at once, that this record been surpassed. Mr. Newlands, writing master, in New York on business, was on duty on the changes in South to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, and is said to have been killed in a least of Jules Montagnon, a Quebec con tractor, who was insured for about \$100, a
