Leather Suits

For School boys.

There isn't such a thing, although most of us sometimes wish that there was. The next

best thing, however, to leather is Boys' Tear-Proof Suits, made from good solid tweed and to fit boys of all ages.

It takes lot of exercise on the boys' part to wear them out, and what it costs in money the boys gain in health.

Sick boys are easy on clothes.

Boys' Reefers, for all ages, as low as \$2.50.
