The furniture has only been in use four a big share of municipal honors, for our and saved himself. The steamyacht Hustler, in charge of H. Cunningham went to save the crew of the Frontenac. The sea was so heavy the yacht was forced on top of the Frontenac and her bowsprit pierced the gacht. It was impossible to finish the race. The occupants of the boats that were not upset were glad to get ashore, and did not want to race after the storm. The race Finder will be rewarded by leaving the same will be contested again next Saturday.

The 14th Shooting Matches. To-morrow the annual matches of the 14th batt. rifle association will be commenced at the butts. The programme s an interesting one and the prizes all valuable There will be keen competition and it is hoped the first matches of the association will be a great success. To day marques and tents were erected the convenience of the marksmen. The prizes to be competed for are or exhibition to-day in F. W. Coates' jew- DOOMS IN PRIVATE RESTUENCE : DOUelery store window. CANADA'S ADVANCE.

OTTAWA, Sept. 25 .- Sir A. P. Caron Rev. R. W. Rayson sailed for Canada | 000, and the insurance is light in many to the city. Sir Adolph says he found cases. There was only \$1,000 insurance Canadian affairs booming in London, on Jerome's hotel, which is owned by C. and a most marvellous change in the inperial mind regarding the new dominion compared with the state of affairs ten years ago. "Then," he said, "you had to say you were an American in order to get into the house of commons or to abtain public recognition; now Canada is in the public man an important part of the empire and nothing has done, us more good in this respect than the late con

erence in Ottawa.' Referring to the splendid financial standing of Canada in London, Sir Adolphe said : "I was in the Bank Montreal the other day and the manager said, Your three per cents are selling at . THE BLACK par. The president of a leading bank in Liverpool also told me that Canadian | sented to themsands of design tol patrons at the securities were on the bound and in fact. Academy of Music. New York, for one entire our credit was now considered as good as the leading nations of Europe." The postmaster-general reports Mr. Huddart as still confident of success in floating his fast Atlantic steamship scheme. Hon. John Costigan has gone to Resti-

gouche, N.B., for a couple of weeks fish-Sir Charles Hibbert Tupper left to-day for Nova Scotia to address a number of political meetings.

CAPE VINCENT IN FLAMES

WATERTOWN, N.Y., Sept. 25,-W. have received the following about the fire at Cape Vincent. The five started at at the Hyland house in the village and block occupied as a drug store and dwelllast evening jumped from a four storey ing house; Dezengremel's block; gent window, but striking an awning escaped store and dwelling house; Arneil's instant death. It was found on exami- jewelry store; Algonquin hotel and store | cargo. is not estimated yet, but probably is not | and James Stewart, Portsmooth will sugfar from \$150,000. We cannot say how ply the men to do the work.
