Delady typewriter from Toronto.

What the United States need, according to Higgins' philosophy, is a great witness sent him high wall, such as Chi-hoang-ti had built about China to put a stop to the incursions of the Tartars, Kalmucks and him worse, with evident signs of lung other tribes from the north, but which trouble. Witness called the next failed in its purpose and made the build-Stenetls, Bank, Ticket and Office Stamps, etc. | er of it an object of hatred, which hatred remains among the Chinese to this day. But who is Higgins?

JAPANESE MISSIONS.

The discussions at the general conference of the Methodist church have had the effect of concentrating attention the Japanese Missions, and of prevoking the enquiry as to what the effect of these missions really is.

The first fact that has been established the Japanese are accepting christainity met Mr. Smith's brother, William, who more readily than the people of any foreign people, that they have not ac- and Mr. Smith went into his brother's cepted but helped to propogate the bedroom. He came out in a few minutes gospel through the native evangelist and said his brother wanted the will

William Poole has bought the Brooker farm adjoining his on Grenadier Island.

Miss Jennie Little, stopping at Poole's Resort, has left for her home in South Leeds for a visit with her parents. Robt. Poole has a large contract blasting away some rock on Bronson's Island for the owner, Frank Brosson, Ottawa. David Hodge, Mallorytown Landing, is in such poor health that he has got to go to the hot springs. He went last fall and was country, big or little, exclude a Cana. greatly benefited. George Comstock, the Muskrat Bay gardener, has had one of ada? If they venture to do such a the finest gardens in this part and has hing, by jingo, this journal would kick | done a large trade in vegetables, fruit up such a row as the world has never and flowers in the American market. Visitors : Mrs George Andress and Mrs. Robert Vanston at James Lowe's; George Andress and wife at David May's.

Donaldson's Mills Doings. DONALDSON'S MILLS, Sept. 24 .- A large number of young men have gone from here to the shanties, and as many disconsolate maidens have reluctantly conformed to the inevitable. A party was given at the home of W. J. Donaldson, Friday night. A large number of friends and acquaintances were present. After some games and other amusements a sumptuous meal was participated in, and on the whole a very enpyable evening was spent. May we not imply that there is a poli-

tical age to grind in this vicinity, as evidenced by the last paragraph of the notes in last week's issue. Your correspondent, let me say, was not authority for the paragraph, nor can he see why party lines should be crossed, as they appear to have been in this case. Always accompanies good health, and an road up in good shape along here. It absence of appetite is an indication of was a great necessity. A great deal of something wrong. The universal testi- stuff has been shipped from here this mony given by those who have used summer, eight car loads within the last restoring the appetite, and as a purifier | home from the west this week. He has | Weeks and F. W. Jenness, Assistant Secre reccommendation that can be urged for | had a pleasant trip. He spent Sunday.
