**KNOWLEDGE**  
Being comfort and improvement and applied to personal enjoyment, when distinguished. The man who is better than others and enjoys himself, with less expenditure, by more sparingly adapting the world's best products to the needs of physical being will attain the value to health of the pure liquid laxative principles ennobled in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most appetizing and pleasing to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, expelling colds, headaches and fevers and permanently curing constipation.

It has given satisfaction to millions and now with the approval of the medical profession becomes a fact on the Kidneys, Liver and Bowels without weakening them and is to be freely given every six hours.

Syrup of Figs is for sale by all drugists in 750, bottles, but it is manufactured by the California's Fig Syrup Co., whose name is printed on every package, also the name, Syrup of Figs and being well informed, you will no doubt find any substitute if offered.

A. P. CHOWN, Druggist, Agent.
