A NAVAL ENGAGEMENT. The New York "Sun," which is 'fond displaying patriotism when an attack can be made upon Great Britain, noted that it was just eighty-two years since the frigate United States captured the British frigate Macedonian in an engagement. The "Sun" describes the United States as an old wormout frigate and the Macedonian as a new vessel, the American ship. The truth is that purposes, a new vessel, having been built ten or twelve years before, at the same time as the frigate Constitution which latter ship is still affoat. The American ship was so much superior to her antagonist that the latter never could have had a hope of victory. The comparative statement of the ferce of the two vessels tells the story in a few

BROADSIDE, CREW. United States 1 583 876 poucds . 478 The American ship was nearly half as oig again as the British vessel, and had a superiority of more than fifty per cent in the weight of metal and in the num ber of crew.

NEW YORK'S INFAMY.

Decent people the world over will anxously await the record of to-day's election in New York city, where a determined effort is being made to overthrow the political power that has held its supremacy for so many years through its infamous system of blackmail. The evidence of one woman, Mrs. Her-

mann, is sufficient to damn Tammany Hall and all its methods of civic government. She was the director of disorderly houses, one who was in the business for what she could make out of it, and yes ed mother. And Mrs. Hermann's experience was what? That she paid out as much as \$1,000 a month to wardmen police, police captains, police lawyers and prison keepers, and a total of \$25, 000, all, indeed, the money she could spare from her infamous business, and profi s of those who lived by blackmail

More scandalous still was the action of the police in raising a fund of \$1,700 and sending Mrs. Hermann off, bag and baggage, to Chicago, where it transpires several are rusticating whom the Lexow Jorsey City on some flimsy charge which

Ten millions a year are collected from the haunts of immorality and crime in cians. Such is the declaration of one man who served on the grand jury, and who helped to frame the first indictmillions may possibly be below the mark Such have been the enormous sums collected from the people, and paid by some reductantly, but with the knowledge that they must do it if they are to be let live, that it has been absolutely impossible for any moral movement to suc-

It is an awful reflection, but it is into collision money wins. Let us hope, that in to day's conflict in New York there is to be a reverse in the general order of things.

STATE ELECTIONS.

To-day the state elections occur, and and practice stop. Duplex action, ries of the United States) will be agitated and girls at school who could give these ty by leading Canadian musicians while the electors settle not only state crivics of our school system leasons in the but by foreign artists. Also in stock a but national issues. The state elections What studies would these gentlemen large variety of slightly used of nare been likened unto our provincial have cut out of the curriculum? What Company. Terms to suit purchasers do get an airing in the local campaigns, their attacks as well as anything else. TUNING AND REPAIRING - but the dominion representatives are not practically or particularly affected. In the state elections congressmen and senators | NaPanez, Nov. 5.—That uneasiness |-it's a girl. TRUE METHODS

What the Sucress of a Church

Churches, like families, may radiate an atmosphere that is genial, cheerful and hope-inspiring, or depressing and the more it flourished the greater the gloomy. Very much of the success of a church in attracting hearers to its services, and influencing a community, depends upon its possessing this spirit. Anything that contributes to making the prevailing tone of church services. of the Sunday school and of the prayer meeting cheerful and genial is not to be committee want as witnesses against lated and untidy houses of worship have Tammany hall's criminal policy. The has long since passed. We doubt if it elimax was reached when these same ever existed. A church building need Senior Part II-Myrtle Simons; Ruspolice officials, hearing that Mrs. Her ture, but it should invaribly have the mann was en route to New York to give air of brightness and cleanliness that, evidence against them, had her inter in private houses, we associate with cepted, arrested, and thrown into jail in good house keeping. We need educated sextons as much as trained men and they could not sustain. It was a last skill and a good ideal. And no congreeffort to muzzle the woman, and it was gation can have too good music. It should be the best within command. gospel hymns are excellent in their place, but the churches need something richer and truer than they. The great New York for the benefit of the politi | barmonies born of the reformation, and of the musical genius of God endowed men are not too good for the village con gregation. No one who has ever attend ments against the miserable wretches fail to be impressed with the enormous ed a Protestant church in Germany can who have been trafficing in sin. Ten losses our worship incurs through lack of a high ideal of what church music

preparation advertised to benefit health is to look parefully into its record. In times like toe present, when there are so many worthless preparations in the market and so many new schemes for making money questionably, you will do wisely you buy only a preparation which has

Another important thing is to look on laws are as they are, for Scott's Emulsion can say that it is one of the few preparations whose ingredients cannot be concealed and whose formula is endorsed by the whole medical world. In these days of worthless mixtures Scott's Emulsion stands out conspicuous

ly. It has honestly back of it the en remarkable curative properties in and permanent cures ahead of it. For twenty years Scott's Emulsion has been growing in public favor until it is now a popular remedy in almost every country of the world. Its growth has been somewhat remarkable, when viewed on the surface, and still it is only natural, for Scott's Emulsion is the natural outcome of many human

Scott's Emulsion presents the curative and wonderful nourishing properties of Cod Liver Oil within the reach of everyody. It is unnatural to take plain Cod the stomach, and yet for a person who is wasting to go without Cod Liver Oil is o refuse the very thing which is the best adapted to wasting conditions. Scott's Emulsion really has over fifty

years, back of it, for all the plain oil The Kingston dairy school is exciting Emulsion was made had to be made extaken for thirty years before Scott's could be assimilated., So Scott's Emulsion saves the digestive organs the work of preparing the oil for assimilation and it also aids the digestion of Loss of appetite, loss of flesh, loss of

strength and general physical vigor, are speedily overcome by Scott's Emulsion. These ailments usually mark a decline of health. Unless a nourishment especially adapted to overcoming this condition of wasting is taken, the patient goes from bad to worse, and consumption, scrofula, ansemia and other forms of disease surely

Scott's Emplsion is not an ordinary specific. Besides soothing and curative properties, which are useful in curing coughs, colds, sore throat and inflammation of throat and lungs, it also contains the vital principles of nourishment. A ittle Scott's Emulsion given to babies or children goes more to the making of solid bones and healthy flesh than all of their ordinary food. Babies who do not thrive soon grow chubby and bright on Scott's Emulsion, and children who are thin and have the appearance of growing too fast do not seem as though they could To consumptives Scott's Emulsion is

fe itself. There are thousands of cases on record where Scott's Emulsion has actually cured quite advanced stages of Coughs, colds, sore throat, bronchitis, weak lungs and all of the phases of emaciation and decline of health are cured by Scott's Emulsion when all other methods of treatment fail.
