Grand Removal Clearing Sale

AT THE NEW MANTLE STORE Wellington Street.

Owing to the fact that we expect to vacate our present premises on or before March 1st, we have decided to sell the balance of our New and Elegant Stock of Ladies' and Children's CLOTH JACKETS, MANTLES, ETC., at prices away below their regular market value. Profits will have no place in this sale, which will provide to Ladies and Misses a rare opportunity of procuring, at a merely nominal figure, a good fitting, well-made, fashionable JACKET or MANTLE.

THE NEW MANTLE STORE,

Wellington St., next door to the Boston Fur Store.

THE LECTURE ON "KEATS."

Lampman Had a Fair Audience and Did Justice to His Subject.

The concluding lecture of the course, arranged by the Toronto Y.M.C.A., took place in the hall of the association last evening. Dr. Anglin was chairman, and before introducing the lecturer said that the lecturer had not been given for the purpose of making a record. It had been the object of the management to have been disappointed. The previous lectures had been so successful that it was thought that a lecture on Keats would be a success.
