Carlous Customs In London. Many quaint methods were devised by. the founders of old English charities for promoting happiness among their beneficiaries at Eastertide. Good Friday and Easter customs in this old country are numerous and eurious. For instance, in When the "News" representative London sixty of the youngest boys of drove up to Mr. Dubuque's pretty little | Christ's hospital school attend divine farm house, he beheld that gentleman | service at a church in Lombard street, chopping wood, and looking a strong | in the midst of the great banks, and robust man. A year ago the neighbors afterward receive each a bag of raisins, thought him a doomed man-to-day one new penny and one bun at the old they consider his cure as little short of I priory church in West Smithfield, and twenty-one widows each pick up a new.

"Brace Up" Is a tantalizing admonition to those who at this season feel all tired out, weak, without appetite and discouraged. But blood builder and nerve restorer, curing the way in which Hood's Sarsaparilla such diseases as rheumatism; neuralgia, builds up the tired frame and gives a good appetite, is really wonderful. So Vitus dance, nervous headache, nervous we say, "Take Hood's and it will brace
