Words of Encouragement and Counsel to the Graduates to Cheer Them in the Duties of Life-A Fatherly Address-The Graduating Classes-Quite a rine

The closing exercises in connection | text was:

"Now, therefore, know and consider what thou wilt do."-I Samuel XXV-17. the resentment of David, and convince him of the sinfulness of intended revenge, which the conduct of Nabal had pro-

Similar thoughtful and energetic action is the duty of all, whatever be the circumstances in which they are placed. but more especially are we called upon to know and consider well what we ought to do at certain seasons, and turning points on our way. So it is with the graduates of this session, most of whom are now about to enter upon fields of usefulness in the world outside, and their alma mater cannot let any of them go from her care without some parting words of counsel and encouragement.

The difficulties and temptations smoke coming through the stovepipes. through which they would more or less have to pass, and the armour of more than earthly temper which had been prolove to man would alone enable them to dismissed encounter and overcome trials and positions which they were to occupy. Of these love to God was our first duty, but love to man was shown to be its natural and necessary result and accompaniment, and, therefore, in their varied services to their fellowmen, love to men ought to direct them in their endeavors. The power of this christian love, strikingly illustrated by a remarkable incident in the history of the first mission to the South Seas, will be no less manifested in every condition and business of the lives of those

in whom it dwells, fortifying them'
