FIRE SUNDAY MORNING. THE RESIDENTS SAY THE BRIGADE

WAS VERY SLOW-Chief Youlden on Hand Without His Force .. The Loss of a Double House-There Was No Alarm Sounded in the Fire Statique-His Wife Alarmed Him.

In the neighborhood of four o'clock on

Sunday morning Mr. McFadden, Patrick street, discovered a blaze in the house across the road from his place, and immediately rising from bed ran up the street to the next corner and rung the vourself in and see and exalarm. The flames enveloped the building quickly, and the neighbors who gathered around had not much time left them to assist in removing the furniture of Joseph Whitehead, who lived in one This morning Mr. Adsit began the treal under one municipal government tion. Chief Youlden was the first to arend of the double house, now in conflagrarive on the scene, and when he found the way be met the hose reals. McFad-Miss Caton, of the Bell telephone com- tion in the Hawaiian Islands, says the was forty minutes after the alarm was Curtains or anything else belonged to John O'Brien and was in

the change in the K. & P. RR. time A. Shaw, of the customs department, double frame building, was badly scorchabout two feet space between it and the returned Sunday after attending the ed at one end. It can be repaired, how-

Mr. Whitehead says he would have been burnt to death but for his wife. Charles Wilworth, nineteen years of He was sleeping soundly. The room age, from Canada, who was in charge of was all aflame when she woke him and

MARINE IN I ELLIGENCE.

The strs. Algonquin and Butteroni, from Chicago to Kingston, corn and wheat, passed Port Colborne, last The schr. Hanlon ran on a shoal Snake Island during the fog last night.

The str. Pierrepont went up this morn-

ng to pull the vessel off.

A message was received this morning that the steamer North King went aground in the Murray canal, just above Trenton, during the fog last night. Assistance was sent the steamer. The M. T. Co's barge Wheatbin ran against McDonald's look in the Cornwall canal last night, stove a hole in her bow and sunk. The basge had about 15,000 nelly Bros. will go down and raise her. R. P. Thompson, engineer of the Richelieu Co., is in the city for the inspection of the Columbian's and Corsi can's engines which occurs to-morrow. Mr. Miller, United States government inspector, and Messrs. T. Donnelly and

. Adams will conduct the examination. The str. Melbourne, formerly the str. Alma Munro, called here on Saturday night en route from Montreal to Duluth. The boat was entirely rebuilt during the winter. Her officers are the same as last year. Capt. Brown is in charge; Fred. Elliott, purser, and T. Milne, Kingston, Clearances: Prop. Spencer towing schr. Cennington, Oswego, light to load coal

or Chicago; sloop Maggie It., Cape Vinent, ties; prop. Rhoda Emily, Oswego, ight to load coal for Chicago; schr. Rabiola, Oswego, light; eteambarge Waterlily, Oswego, barley; schr. Two Brothers, Oswego, light. Arrivals: Str. Echo, Bay of Quinte, 31,000 oats; sloop Idlewild, 1,700 white winter wheat and sloop Pilot, 25,000 oats; str. Persia, Montreal; str. Ocean, Hamilton; str. North King, Charlotte; sehr. B. Folger, Oswego, coal; sloop Laura, D., Cape Vincent, light; schr. Flora Emma, Oswego, coal; str. New Orleans.

Chicago, 57,000 bushels corn; prop. Nile, Cape Vincent, light. COMMANDANT AND MRS. BOOTH They Were Heartily Received at Barracks

Yesterday. The Salvation army barracks was handsomely strung with drapery and the walls decorated with passages of scripture, yesterday in honor of a visit from Mrs. Booth, wife of the commandant of the Canadian forces. The place was crowded in the evening. and Mrs. Booth, with the Dutch accent still quite perceptible in her voice, proved herself a very pleasing speaker. She sang a couple of songs in powerful strain | Box 107 South Framingham, Mass. Enclose yet the articulation was not a little muf- stamps. Mention this-paper. fled. She said the devil got persons asleep and in danger and the army was in A no in your district. Permanent situation existence to awaken these people. If a and salary or commission paid. We are the well. She dwelt on the various traits you superior advantages and the central of bourg "World" publishing company and the robber tariff wolf. The principal many people had, sold their souls for He has about the worst record of M. W. Williams has retired. It is the holds the sheep pelt aloft while the popularity and how numerous was that any man in the city. He has had fifteen earnest wish of all contemporaries that fierce wolf labelled "Monopoly, Injustice stamp of young people who stood before chances to reform out of twenty-six ar. the future of the "World" may be as and Trade Restriction" is found beneath a mirror to curi their hair that they rests since 1880, and still is the same bright as the past, and that its future the covering. The Montreal "Star" has might look prettier than others. Her talk was a continuous pleading for the

salvation of souls. Ensign Finch, in charge of the rescue home in Toronto; Capt. McMillan, secretary to Brig. Scott, who is in charge of the eastern province district; Capt. DROSPECT HILL HOUSE AND WROUNDS.

Boating will get a big boom this year by the cance meet at Long Island park. Especially will canoeing take an extra

Our local boat builders have taken up cance building and are receiving orders | lst Apri fatally shot himself through the head; for paddling and sailing canoes that keep tion for the construction of a will heard ners from Toronto and Trenton for a vesterday, in the citadel. He had been them busy. J. Sharman has already built several beauties. The canor club will doubtless have an

increase of membership, and one of the
