incapacity and is now hounding the party

national policy, but it sees plainly that can prevent it. Its lamentations are somewhat pathetic, as the following paragraph will show:

and they would so act as to try to break as much as possible the force of the blow which will affect their interests. With s inevitable, it would be a waste of main permanently in Chicago. time to argue. If they will not assist one party to make a reasonable revision. they will be likely to have to take a still nere unwelcome measure from the other. The moment the tariff becomes a distinct er a unit for protection."

And has the tariff question not become distinct issue? It has seemed so most people. But if it lacks in emphasis the lack will be supplied at the liberal convention which promises to be an im mense gathering, and the significance C. WILSON, 120 CLASSINGS STREET, of which is made the greater by the in terest it is exciting in those who have been either politically opposed to the lib erals or indifferent as to their success The trend of public opinion is alarming the conservatives, and they contemplate the outlook with an anxiety which i depressing in its effects.

SIR JOHN CARLING.

Some difference of opinion has been expressed in the Canadian press touch ing the knighting of Hon. Mr. Carling. tor, Conveyancer, etc. Office-Corner of ing the knighting of Ron. Mr. Caring, Cing and Brock Street, ever Wade's drug store. for forty years a member of the Canadian government, serving at different times and under different, premiars. If long identification with the public service were the only consideration then the late commissioner of agriculture merited the distinction which his colcagues recommended and which the queen has been pleased to confer upon ellected. Money to loan. Office, 332 King street him. But it is difficult to disassociate the man from the party exploits with which course, the central feature and well it his name has been connected. John Car- may be although it is so well proportionling's strength originally lay in the fact that he could carry London with ease, that in successive elections ha could be counted upon as a sure winner, that as a brower and a large employer of labor he could exercise a powerful influence which the party required. As a member of the government he was seldom heard from, and, through the aid of O Princess Streets, First-class accommo- a good deputy, directed a department in which there was little to do. He was a benevolent looking old gentleman, for whom every one had a good word, and whose highest joy was attained when he was addressed as "Honest John." But a come into a competition with his fel- ing in health with other foods. Lactated day came when the liberals of London hold the seat, resorted to scandalous the features. A piece of tapestry, treal, will send a package of Lactated tactics. They stuffed the voters' lists, and, through the rulings of a friendly judge, used them in an election in which Mr. Carling was a candidate. To all time was required to weave it. Lacquer intents and purposes, and in all honesty.

he was defeated, but the officials of the government returned him as elected. The devices of the wicked ones should | beautiful. The art of the Japanese may not have been permitted to stand, and not fit our standard, but he applies it in an impartial critic, the "Week," has felt impelled to describe the transaction as "unfair and immoral." It is not a mitigation of the offence to say that Mr. Carling, "without intentional wrongdoing, in a moment of weakness, and in the heat of a great party cononce. He has not filtelied the name a rassum- | fluence of colleagues and friends," He ed to be what he is not, like some of our would- undertook to redeem the constituency

and he did not do it fairly. And the government seems to have thought so too, for, though standing by him in the atruggle for his seat, it had no compuneknighthood, to be fully appreciated, ling. He should have been recommend- than any thus far more brilliant by rea- CURES. of his usefulness, and before the posts.
