LANDS BE SULD.

Received-A Hackman's Words: Indignation is expressed by citizens regarding the apparent feeling against

selling the islands held by the cabinet as it is reported the matter will be left over of numerous letters from Americans enquiring about the islands, and only yesterday received a letter from wealthy men in Virginia who stated their desireto purchase plots. The dilapidated condition of the Canadian islands is a disgrace and the department should dispose of the island in order that the places R. McFAUL'S 40 inch Twill Box Cloth Dress might be beautified. Mr. Folger considers that if the matter is deferred it will be the work of the Ottawa citizens. The people there do not want to see the islands sold because they would These are new lines only opened last week and selling going to check a step in the right direction? The mere price of the islands is by no means all that Canada is to re-Our cut prices on Summer
