CONVENIENT STYLES. sea For Old Lacco-Effective and Economleal Arrangements. Those women who have old lace by them, or indeed Isee of any kind, black or white,

LACE TRIMMED EVENING DRESS. low placed at the edge of the skirts, of en festooned with ribbon bows; they also are introduced round the hips, while triple Almost any shaped piece of lace appears to | Merton. be adapted to the shoulders and to the capes, which are of every form, but mostly surround the yokes or taper from the waist over the shoulders. It is certainly newer to have a detached cape covering the

sleeves only, and then it should reach to Our first out shows an exquisite evening dress of pink satin trimmed with lace, headed by a rouleau of ribbon and bows. Lace edges cross the front, falling in a triple frill over the sleeve. Many black | English courts, began to be kept. satins trimmed with white lace are accompanied by hats and bonnets of transparent

guipure trimmed with jet.
No colors are now so vivid as the yellows
of various tints, from faintest primrose to the deepest orange, and bright yellows shot with browns. In the second cut is shown a very pretty arrangement of silk and lace for wearing under an open jacket. It is of light lemon color trimmed with black lace and merely covers the front, being turned under below the waist. Blouse fronts and odices add very desirable variety in a imited wardrobe

Movable yokes for several dresses with a frill at the edge, so that they can be tacked over the bodice, form most effective and

convenient arrangements. There are many white and black striped gowns, black gowns with white guipure trimming, and a novel feature in the fashions are the black nets worn over shot and chinasilks. Fawn and black are favor-

BLOUSE FRONT IN SILK AND LACE. Accordion plaiting is applied to many black chiffons worn over light green satin,

Elaborate Petticoate. White petticoats, except for evening wear, have almost entirely disappeared, and so beguiling are the substitutes provided in their place that the change need not be regretted. Thin twilled silk in the most delicate tints is superseding glace silk, and smart underskirts are flounced with plaitings of mousseline de soie. A decidedly extravagant fashion this, for the little flounces are all too perishable and must be constantly renewed. Some of the colored lawn and batiste petticoats are simply delicious little

confections. Others in white, scattered over with tlny flowerets, are no less entioing. They are trimmed with endless frills CASH CAPITAL. \$2,000,000 | and flounces, edged with valenciennes Isee. which lace is much used just now for adorning lingerie of all descriptions.

Fashion Notes. The very newest form of skirt trimming consists of frills round the hips. A revival of the long mousquetaire gloves for afternoon wear is said to be threatened.

Emerald green and rose color are the favorite combination in Paris at the present moment. There is a new and effective kind of coarse net in black or color, which is made up over a contrasting slik. In black it looks remarkably well over vieux rose or A novel veil is of accordion platted black

Nothing looks more ladylike than white serge, and the girls one sees wearing it give one the impression that they feel the heat less than other folks. A charming costume of this material was made in the plain skirt and cout fashion and worn with a cross

over waistcoat of white wilk. White duck dresses made simply with plain skirts and open jackets look delightfully cool and easy. They are usually wore [ with colored allk shirts.
