of civilization and morals than the

pings, his distinctive marks, his sur-

roundings, his titles. He lives by choice

clad ancestors, demanding only that

not as the painter, the naturalist or the

and crafts and industries; they have

fought, and fished, and hunted in unin-

terrupted succession since the days when

in wild woods the noble savage ran, to

the days when they pay extravagant

knight and earl, and marquis and

duke, early crystallized names of

leaders in war or protectors

of the frontier. Their crests and coats-

of-arms are but the totems of their sav-

age predecessors, afterwards utilized by

mediaval blacksmiths as distinguishing

marks for the summet of a helmet. They

decorate their halls with savage trophies

of the chase, like' the Zulu or the Red

Indian; they hang up captured arms and

looted Chinese jars, from the summer

palace in their semi-civilized drawing

rooms. They love to be surrounded by

grooms and gamekeepers and other barbaric retainers; they pass, their lives in

the midst of serfs; their views about the

position and rights of women-especial-

ly the women of the "lower orders"-are

frankly African. They share the senti-

ments of Achilles as to the individuality

Such is the actual aristocrat, as we

lized community of workers and artists

and thinkers and craftsmen, with whom

he goldom Taugies, and with whom he

has nothing in common, this chartered

relic of worse days preserves from first

to last the many painful traits of the low

moral and social ideas of his ancestors,

from which he has never varied. He re-

presents, most bf all, in the modern

world, the surviving savage. His love

of gewgaws, of titles, of uniform, of

dress, of feather, of decorations, of

Highland kilts and stars and gar-

ters, is but one external symbol of

his lower grade of mental and moral status. Over all Europe, the truly civilized classes have gone on progressing by the

practice of peaceful arts from generation

to generation, but the aristocrat has

stood still at the same half-savage level,

a hunter and a fighter, an orgiastic roy-

sterer, a killer of wild boars and wearer
