TERRIBLE VICE IN INDIA. MISS FRASER M.D. WRITING HOME TO HER FRIENDS

The Sins of the People are not Confined to Tip-top Society-Longing to Relieve the Great Suffering-In Fine Health Now. Through the kindness of Miss Machar he Willis has been given letters, recentreceived from Miss Minnie Fraser, cal college of Kingston, and a medical missionary of the Presbyterian church in India. Miss Fraser was attacked last to health. The letters were written at

the close of May.

After dwelling upon very many personal matters and her estimation of the rampant in the highest circles among women. "I have felt," she writes, to be compared to it. It is really appalling. I do not mean the private soldiers for whom vice in every form is the cost. plentifully supplied; I mean those binglish people who call themselves first-class society. There are bright, for the present season.

descent of the loose earth with him. | foul to the core, Mhow, you know, is a large cantonment, so I have He was amazed to find the bottom of an extra quantity of such cases.
