LETTERS TO THE EDITOR-

What Should Be Done. KINGSTON, Sept. 1 .- (To the Editor) Many times when the late Sir John A. ston, he, with justifiable pride, referred statements to be correct. to his early days when in the pursuit of knowledge, and how step by step he arrived at the position which he held in his later days, and in those remarks would be interwoven words of sympathy listened to him. No man ever lived in Lindsay. lanada whose desire to benefit young men exceeded that of Sir John A. Macdenald, and why should not the city he was so proud to represent do something for the general benefit of its young men in his name? Money has been collected for the purpose of doing something to honor his name, to erect a statue to his some other Canadian cities, but would it not do more honor to his memory if this money was spent in the frection of a Macdonald public library in Kingston? Sprely if this was done it would be of more real benefit than the erection of a statue. I feel assured if such a building was erected that there are in Kingston many admirers of Sir John Macdonald who would donate to it the midsummer holidays on Monday and a great number of the books now on the a large number were present. The staff the public; knowing that the books would be where they could refer to them at all times when desired. The memory of the lamented premier could be further honored by making the library more especially historical, and thus meet a much felt want in Kingston, and in connection with which a historical so-ciety could be formed which would be of \$800. Mr. Callander has been a most It would also be a drawing card to itcrease the attractions of Kingston for summer visitors, and above all would add one more point to the advantages of kingston as an educational centre, and ing president of the christian endea-Kingston as an educational centre, and vor of the church and teacher of the bible of him who was in the broadest sense he was also a leading spirit. F. Pearney, Canadian, and one whom Canadians to- of Waterdown, has been appointed in day, irrespective of party, desire to his stead. He comes highly recommendhonor. Kingston is rich in mat- ed both as a citizen and a ter necessary in the formation teacher. He is well known in collected and preserved for the use and information of the present and future generations. Another feature with the erection of a Macdonald public library building would be space for a local natural history museum. King- "Register" has again changed hands, such material, products of the soil and the mine, the forest and the clearings, the rivers and the lakes, and many of our citizens have in their possessions, much that they would gladly contribute to such a museum, and thus the riches of Kingston and the surrounding country would become better known to her citi-

and to strangers who visit us. Again let me urge the Macdonald memorial committee to do something speedily in honor of the departed, and let it benefit to those who will come after them. believe that if a suitable milding for a public library, etc., was by the wealthy citizens of Kingston, nor would such donatious be confined to residents of the city, Respect to the memory of our Sir John would bring many valuable contributions from other parts of the dominion and empire. I have not any doubt that if such a library could be established that the newspaper press of Kingston would donate to it and make t the archives for the fries of their apers from the times of their first saue and which are now becoming valu-

able as works of reference. Should the Macdonald memorial committee hot see their way clear to act onthe suggestions which have been made, would it not be quite within the province of the mayor and aldermen to ask the co-operation of the leading citizens and clety and a local natural history mu-

THE NEWS FROM NORWOOD. Norwood, Aug. 31 .- Rev. W. Buchanan attended the high court of Foresters as delegate from Norwood. The high school is second to none in the province as to the excellence of teaching and results at examinations. At the recent-departmental examination thirtysix candidates passed out of forty who tried making the high percentage of ninety per cent. All those who tried the primary examinations were successful. Eleven passed for junior leaving out of seventeen who tried and all passed for matriculation. The school opened after for the present year is composed of the following: John Davidson, M.A., LL.B., principal; Miss M. A. Campbell, science teacher; Miss Garrett, classical teacher. C. N. Callander, who has been headmaster of the Norwood public school for a number of years has resigned, having successful and earnest teacher and his loss to the school is great. He was also a hard and steadfast workclass in the Sunday school. In social life bieyele rides also, and is the possessor of a number of medals. Mr. Lockhart, of the county of Frontenac, has been engaged to fill Mr. Pearney's place on the public school staff, while the latter is teaching the model school which opens the new proprietor being J. G. Keefer W. A. Buchanan, of the "Examiner"

formerly of the Stouffville "Tribune." staff, Peterboro, spent his holidays in town. Accompanied by his father he made a tour of the united counties of Northumberland and Durham, driving all the way, ninety-three miles in two lays. At the entrance examination, the result of which was announced a short time ago, Miss Gertie Carter, aged eleven years, made the highest aggregate marks in the county. The following are the officers of Norwood ladge, LO.G.T. Lodge deputy, Rev.W. H. Stevens; chie templar, John Walker; past chief temp erected, that its shelves would soon be M. Ebbs, marshal, J. Collinson; chaplain, Rev. J. Gibson, M.A.; secretary, B. Squires; financial secretary, T. E. Finlay; treasurer, E. H. Scott; guard, P. Munroe; sentinel; R. F. Raddon.
