NEAT WAY A FORGER DID UP THE MERCHANTS BANK. The Ontario Bank People Would Not Cash

the Cheque Without Identification-It Was Alleged to be Endorsed by Prof. Williamson-A Queen's College Student! A sharp individual, who gave his name | but it was chained and locked! Not a as Sidney F. Knox, visited the city yes-terday with a view to defrauding the wolumes could have made it. The banks by means of forged cheques. He called at the Ontario bank and presented a cheque for \$75 which the teller refused bouse, get the key and oars and bring the; tea, 35c to cash unless he was identified by some | relief. Hard at the wheel the muscular worthy citizen whom the bank authorities were well acquainted with. He said the shore. The skiff came, and the ladies ler he interviewed the manager, Mr. more and the weeds showed under the manager questioned surface. Now-now the sandy bottom the stranger sharply and after some con- appears; now upon the shore grates the the habit of cashing cheques for strang- dropped and lightly the ladies stepped ers unless they were identified by re-, off in blissful ignorance of how near all

The stranger said he would return utes of hanging between life and death with a man who would be suitable as were happily ended. Not an anxious security for the bank. He did not come word spoken, save the boat call. What back but in the meantime visited the an experience! What a providential other banks. At the Merchants' bank he met the smiling teller,, and told a very plausible story. He presented a cheque for \$75 on the Dominion bank, Belleville, in favor of Sidney F. Knox, whom the stranger said was his father. He said he was going to attend Queen's offer the inducement in jackets, dress stand.) er-Our New Dress Goods college, and wanted funds to buy supplies goods, blankets and flannels. Hardy's. with. The teller told him the cheque would not be cashed unless it was en-Come and get first pick. dorsed and he was identified. He said he was a stranger, but was known by Prof. Prices and styles to fit the Williamson, and asked if the professor's signature on the note would be sufficient security for the bank. The professor having been a regular customer of the bank for many years, the teller consent- H. Metcalfe, M.P., has been appointed to ed to receive his signature, and run the risk of the cheque being good. Had it been for a larger amount than \$75 the stranger would have to bring a citizen to identify him. He went away, and in a signature. The forging was perfect, and burg has been postponed until to morrow They are thoroughly reliable and worthy agreed in every particular with the real at 10 a.m. This will probably be the your confidence. signature. The clerks in the bank, wher last excursion out of Kingston this seaknow the professor's signature, could not | son. Fare 35c. Dinner, 40c; tea, 35c. It was the first day for preserving distinguish the difference between his and the lorger's. Even Dr. Bell, of Queen's college, could not see any difference in the signatures. Mr. Brown did not look at the stranger

very closely but thinks his features were fair. He was a young man and very tastily dressed. To-day Mr. Hague, the manager of the bank, received warning by a postal card written by L. P. Hillyer, secretary of the Georgia bankers' association, to look out for a forger who had done up banks in the states for sums ranging from \$85 to \$100. Mr. Hillyer would like the Canadian people to do all they can to arrest the man. His description tallies with the man who defrauded the bank | discharged, and Wm. Whitehead and yesterday.

It is supposed the way the forger got the signature of Dr. Williamson was by writing for information about the instiutions in the city.

. There seems to be a party of operators | ance. He said a man had hired him with in the country at present. Our tele- others to go back of Harrowsmith to pick graphic columns report the slick trick hops. The man said men could make having been done in Chatham, yester- \$1.50 a day easily but Haines found that day, and in Belleville and Peterboro and the most anyone made was 20c a day. Port Hope similar work was done. In Many of the men hadn't money to get Belleville the slick forger gave his name | home. as Edgar Fisher and did up two merchants with \$10 cheques. At Peterboro one of the Belleville merchants on whom | Pacific railways will issue return tickets cheques. He secured \$225 there. He is way, first-class fare, and on Sept. 11th that the vendor must pay the expense of he worked off one of his ten dollar In Peterboro he secured the signature of P. I. Wilson ticket among the A. blue bird, owned by Mrs. Salter, one a Jew, went into the bank of British Montreal.

Mr. Fessenden says on the day that the cheques were presented he received a note from a man staying at the Snowden House, making enquiries as to About forty feet of ventilators were torn whether a boy would be received at the away by the wind and part of the roof institute. To this note he replied and removed. The storm came on so suddensigned his name. The man who sent by that the damage could not be escaped. the note was at the Snowden House only Mr. Johnston was just returning from a short time and it is supposed he was his European trip and experienced rough the one who worked the cheques and that | weather on Lake Champlain on that he took this means of learning how Mr. | date. Pessenden wrote, for the forgery was a fair imitation of his signature. The Ontario bank there did not cash the cheque
