Mand leaves probably, convenient access to the va- Kingston at 10:30 a.m. and returning, rious official blue books, and may not be so familiar with the official facts and figures as they would like to be to use them to good advantage. To such, at Don't waste time think- least, the following statistics from the the Municipality of the City of Kingston for the confirmation of the City Engineer's Re-

REVENUE FROM LICENSES AND PINES, According to the last official report of store and corset department to Miss the provincial license department there Henley's old stand; also dressmaking century to-day to Belleville. They left were, during the last license year, issued school for ladies to learn to cut and fit, Tavern Beenses, including wine and beer 3,040 Shop licanses Wholesale licenses

Total for Ontario. This number is considerably less than for the two or three previous years. The indicationstant that more licenses have been issued of late, in many municipalities, at least, than find a profitable business. The combined work of the churches, the temperance organizations and temperance teaching in our schools is doing a good deal to reduce the busi-

ness. The total public revenue received from these licenses is reported as fol-From license fees ... \$5/24,258 00 From fines in liquor cases 23,516 00 8965,604 00

There was deducted from this sum the expenses of the license commissioners. the inspectors' salaries and some similar charges to the amount of \$75,517, The balance was divided, according to the provisions of the license act, between the provincial treasury and the various municipalities in which the li-

censes were issued, and the fines collected as follows : o the provincial treasury. the municipalities...... 290,478 These amounts represent the sum total of the public revenue from all sources, and to all parties, from the license sys-

tem in Ontario. THE CONTRA ACCOUNT. Sir Oliver Mowat, in his noted speech firm. to a large temperance deputation during the last session of the legislature, stated that, as a result of over twenty-five years' observation and official experience, "it is no mere oratorical flourish" to state that fully three-fourths of the poverty, crime and wretchedness throughout our land arose from this one source—the Hounsel drink tratfic. No man in Ontario is in as good a position to arrive at a correct conclusion on this important matter as the vener-

years ago, had been confirmed by the testimony of those who had the best means of midging, whose official reports came constantly before him-"judges, magisand asylums." There need be little doubt but that his estimate is not an exaggerated one. Let it be taken, then, as a basis in the following calculations, | very severe. Now, what does such a statement as that represent to the taxpayers and burden-bearers of Ontario, outside of all moral considerations or sentiment of re-

soul? Here are a few facts of many : THE PRISONS' REPORTS. Taking the last published reports the Ontario government in regard to the prisons alone of this province, it will be found that the tax-payers are carrying the heavy burden of nearly 12,000 prisoners every year on their shoulders,

Firty-two county jails. Amirew Mercer Fumale Prison. constanguishene Boys' Reformatory... Kingston Penitentiary.

hospitals, poor-houses and inebriate and street. asane asylums, and the enormous burden laid upon the shoulders of the tax-
