before I was entirely rid of the sensation Rather more amusing than the adventure of Maxson was the remarkable exploit of Albert Oliver, a sturdy citizen of Georgia,

who had been making a good deal of whisky without the approval of the law. The deputies finally got wind of his operations and determined to rake in his distillery. Accordingly one night two officers, Stanley and Dickey, left Atlanta and went to Blue been riding about an hour over the mountainsides when they came upon Oliver walking along the road carrying a lantern. He was allowed to pass, and the officers rode on, suspecting him and determined to reach his distillery and raid it before the break

Did they do it? Well, hardly. It was 10 miles to Oliver's distillery. The road was rough and rocky. More than this, it was as dark as Egypt. But Oliver said to himobcasion it is said that he met a party of self, "These are revenue inspectors, and I'll see them one better before they shall get the pot." The echo of the horse's hoofs had The illicit distillers of the south furnish not died away upon his ears before his very few characters so desperate as Willard | mind was made up to beat those officers to Morgan. The average moonshiner has his distillery, so, taking off his brogans been described as a very ignorant, degraded and blowing out his lantern, he turned back and dangerous character, with the flendish and struck up a "fox trot" down the bid and struck up a "fox trot" down the big cruelty and cunning of the savage.
